Re: 2018 Byrne Justice Assistance Grant (JAG): Intergovernmental Agreement

Executive Summary

The purpose of this ordinance is to offer the intergovernmental agreement between the County of Boone, Missouri and City of Columbia, Missouri for a 40-60% split of available funds on the established disparity formula. This will result in the city's share of funds being \$23,299.80 to purchase equipment.

Discussion

Through a written, signed agreement between the City of Columbia, Missouri and County of Boone, Missouri, an award in the form of a grant for law enforcement equipment could be obtained. This action is not acceptance of the funding. This is one of the necessary steps to comply with the application conditions.

This grant, if awarded, will be used to purchase portable radios to replace current end-of-life radios for the police department and sets aside the required 3% of funding (\$699) for supplies/materials on NIBRS implementation.

Fiscal Impact

Short-Term Impact: \$23,299.80 will be the Columbia Police Department's share of this grant's funding and will be used to replace existing radios that are beyond their estimated life and in need of replacement. Along with required supplies/materials for NIBRS implementation/transition. There will be no additional cost to the city for the next two years. Long-Term Impact: This grant will be used to replace existing radios, there will be no additional cost to the city for years beyond two.
