From: City Manager & Staff

Council Meeting Date: August 7, 2017

Re: National Council on Alcoholism and Drug Abuse/Missouri Opioid-Heroin Overdose Prevention and Education Project: Memorandum of Agreement

Executive Summary

The purpose of this resolution is to authorize a memorandum of agreement between the National Council on Alcoholism and Drug Abuse (NCADA)/Missouri Opioid-Heroin Overdose Prevention and Education (MO-HOPE) Project and City of Columbia, Missouri to provide training and doses of the overdose reversal drug Naloxone (Narcan) to Columbia Police Officers for use in responding to overdose calls.

Discussion

Through a written signed agreement between the City of Columbia, Missouri and NCADA/MO-HOPE, NCADA/MO-HOPE will provide all Columbia uniformed police officers with doses of the overdose reversal medication Naloxone/Narcan nasal spray. CPD officers will receive required training from NCADA/MO-HOPE and the department will report some limited, non-identifying demographic information to about its use of Naloxone/Narcan to MO-HOPE for grant purposes.

Fiscal Impact

Short-Term Impact: This would result in a cost savings of \$7,920 to the City in FY2017, specifically the Police Patrol Operating budget. The cost savings in FY2018 would be dependent on the number of Naloxone/Narcan doses that are used by officers and replaced by MO-HOPE (assuming there is still grant funding available).

Long-Term Impact: The cost savings beyond two years would be dependent on the availability/continuation of MO-HOPE's grant funding to provide the Naloxone/Narcan.

Strategic & Comprehensive Plan Impacts

[Strategic Plan Impacts:](#)

Primary Impact: Public Safety, Secondary Impact: Not Applicable, Tertiary Impact: Not Applicable

Legislative History

Date	Action
8/20/2016	During Council Budget Work Session, Council approved using \$11,880 in Council Reserve Funds to purchase 90 Naloxone kits for the City Police and Fire Departments, 60 of which were for CPD (\$7,920 in Police Patrol Operating Budget).
7/18/2016	During Council meeting, Councilman Trapp requested that the City give consideration to equipping the city's first responders with Naloxone to administer to people that have had a drug overdose.

Suggested Council Action

Staff recommends approval of resolution authorizing the acceptance of a memorandum of understanding with the National Council on Alcoholism and Drug Abuse (NCADA)/Missouri Opioid-Heroin Overdose Prevention and Education (MO-HOPE) Project.
