Requested Meeting Date: 2024-05-20

Speaker's Name: (please indicate if more than one speaker): Christine Doerr

Telephone: 573-499-4985

Email Address: Pamonahome@yahoo.com

Topic (please be specific): I discovered a critical mistake on the map of Gans Creek Recreation Area proposed mountain bike trail on the city website. The city council and citizenry unknowingly used this faulty map to inform their comments and decisions to approve the trail in December. The trail needs to be redirected away from vulnerable landscape and a vulnerable community of blue herons nesting along the mountain stream.

I understand that the information submitted in this form will be published with a City Council agenda and will be made available to the public.: yes
