Renter at house (1501 Shannon Place)

Date of Contact: Thu Jan 31 2019 00:00:00 GMT-0600 (CST) **[meeting]**

- o walked the project alignment with Nate and met with the renter of the home at 1501 Shannon Place. Very friendly. Backyard (outside fenced area) is extremely steep and overgrown. Good idea to avoid large walnut tree & storm outlet pipe.

Raymond Lasley (1414 Shannon Place)

Date of Contact: Mon Feb 18 2019 00:00:00 GMT-0600 (CST) **[phone]**

- o 2:30pm Raymond (Ray) called to ask about the tree in his yard. The proposed lateral would be bored underneath it and he wanted to know if the City would come back if the tree dies. I told him I didn't think we would, but I wanted to confirm with the team here. Will call him back in 2 days.
