Re: Job Point Round 3 CDBG-CV and City Reserves Funding Agreement

## Executive Summary

Attached for City Council consideration is a resolution authorizing a Round 3 CDBG-CV and City Reserves funding agreement between the City of Columbia and Job Point to provide \$150,000 for vocational training. Council approved \$80,000 in CDBG-CV funds in February as part of an amendment to the FY 2019 Annual Action Plan. A further \$4,088 in CDBG-CV and \$65,912 in City reserves was added to the vocational training service request as one of several Public Assistance recommendations discussed by the City Council on April 19, 2021 and included in Council Bill B164-21 at the May 17, 2021 City Council meeting appropriating the City reserves.

## Discussion

Job Point provides employment services including training, career planning, and job placement assistance. After the City received an allocation of \$737,588 in special Community Development Block Grant funds, known as Round 3 CDBG-CV, Job Point was among several organizations submitting proposals in response to a Request for Proposals issued by the Housing Programs Office in the fall. The organization requested \$150,000 in CDBG-CV funds to provide scholarships for job training. The organization estimates it will provide 33 scholarships.

After reviewing all applications and conducting a public hearing on December 16, 2021, the Housing and Community Development Commission (HCDC) recommended \$80,000 in CDBG-CV funding for this activity. There was a grand total of more than \$1.7 million sought by all organizations and proposed services, with only \$797,588 available to award (the total included \$737,588 in Round 3 CDBG-CV and \$60,000 in reprogrammed funds).

On April 19, 2021, City Council directed the use of \$1.3 million (subsequently amended to \$1.5 million) in City reserve funds to be allocated to Public Assistance, with the result that all organizations that submitted proposals for Round 3 CDBG-CV funding would receive their original requested amounts. Therefore an additional \$4,088 in CDBG-CV and \$65,912 in City funds is allocated to Job Point to fully fund its vocational training service request.
