Council Meeting Date: October 2, 2017

Re: Authorizing the City Manager to Execute Commercial Recycling Baler Agreements

Executive Summary

Staff has prepared for Council consideration an ordinance authorizing the City Manager to execute Commercial Recycling Baler agreements with Columbia businesses. The agreement will allow the Solid Waste Utility to provide a commercial recycling cardboard baler to a business in order to encourage recycling.

Discussion

The Solid Waste Utility applied for and received \$30,426.66 from the Mid-Missouri Solid Waste Management District toward the purchase of eight (8) commercial mini cardboard balers that will be provided to businesses in Columbia. The balers will enable businesses to start recycling cardboard or make it much more convenient for those businesses that already recycle.

This Council action will authorize the City Manager to execute a separate agreement with each business that requests a commercial mini cardboard baler that was purchased with the Mid-Missouri Solid Waste Management District grant funds.

A copy of the standard agreement is attached for Council consideration.

Fiscal Impact

Short-Term Impact: Additional cost is not anticipated due to approval of this ordinance.

Long-Term Impact: Additional cost is not anticipated due to approval of this ordinance.
