The requirements contained herein, as well as CITY's review or acceptance of insurance maintained by ENGINEER is not intended to and shall not in any manner limit or qualify the liabilities or obligations assumed by ENGINEER under this contract.

Commercial General Liability ENGINEER agrees to maintain Commercial General Liability at a limit of liability not less than **\$2,000,000** combined single limit for any one occurrence covering both bodily injury and property damage, including accidental death. Coverage shall not contain any endorsement(s) excluding nor limiting Contractual Liability or Cross Liability. For policies written on a "Claims-Made" basis, ENGINEER agrees to maintain a Retroactive Date prior to or equal to the Effective Date of this contract. In the event the policy is canceled, non-renewed, switched to an Occurrence Form, retroactive date advanced; or any other event triggering the right to purchase a Supplemental Extended Reporting Period (SERP) during the life of this contract, ENGINEER agrees to purchase a SERP with a minimum reporting period not less than two (2) years. The requirement to purchase a SERP shall not relieve ENGINEER of the obligation to provide replacement coverage.

Business Automobile Liability ENGINEER agrees to maintain Business Automobile Liability at a limit of liability not less than **\$2,000,000** combined single limit for any one occurrence and not less than \$150,000 per individual, covering both bodily injury, including accidental death, and property damage, to protect themselves from any and all claims arising from the use of the ENGINEER's own automobiles, and trucks; hired automobiles, and trucks; and automobiles both on and off the site of work. Additional Insured ENGINEER agrees to endorse CITY as an Additional Insured with a CG 2026 Additional Insured – Designated Person or Organization endorsement, or similar endorsement, to the Commercial General Liability. The Additional Insured shall read "City of Columbia."

Waiver of Subrogation ENGINEER agrees by entering into this contract to a Waiver of Subrogation for each required policy herein except professional liability. When required by the insurer, or should a policy condition not permit ENGINEER to enter into a pre-loss agreement to waive subrogation without an endorsement, then ENGINEER agrees to notify the insurer and request the policy be endorsed with a Waiver of Transfer of Rights of Recovery Against Others, or its equivalent. This Waiver of Subrogation requirement shall not apply to any policy, which includes a condition specifically

prohibiting such an endorsement, or voids coverage should ENGINEER enter into such an agreement on a pre-loss basis.

Certificate(s) of Insurance ENGINEER agrees to provide CITY with Certificate(s) of Insurance evidencing that all coverages, limits and endorsements required herein are maintained and in full force and effect. Said Certificate(s) of Insurance shall include a minimum thirty (30) day endeavor to notify due to cancellation or non-renewal of coverage. The Certificate(s) of Insurance shall name the City as additional insured in an amount as required in this contract and contain a description of the project or work to be performed.

Additionally, CITY reserves the right, but not the obligation, to review and reject any insurance policies failing to meet the criteria stated herein or any insurer providing coverage due of its poor financial condition or failure to operating legally.

7.1.2 HOLD HARMLESS AGREEMENT: To the fullest extent not prohibited by law, ENGINEER shall indemnify and hold harmless the City of Columbia, its directors, officers, agents and employees from and against all claims, damages, losses and expenses (including but not limited to attorney's fees) arising by reason of any negligent act or failure to act, or willful misconduct, of ENGINEER, of any subcontractor (meaning anyone, including but not limited to consultants having a contract with ENGINEER or a subcontractor for part of the services), of anyone directly or indirectly employed by ENGINEER or by any subcontractor, or of anyone for whose acts ENGINEER or its subcontractor may be liable, in connection with providing these services except as provided in this Agreement. This provision does not, however, require ENGINEER to indemnify, hold harmless or defend the City of Columbia from its own negligence, except as set out herein.

7.2 Professional Responsibility

7.2.1 ENGINEER will exercise reasonable skill, care, and diligence in the performance of its services and will carry out its responsibilities in accordance with customarily accepted good professional engineering practices. If ENGINEER fails to meet the foregoing standard, ENGINEER will perform at its own cost, and without reimbursement from CITY, the professional engineering services necessary to correct errors and omissions which are caused by ENGINEER's failure to comply with above standard, and which are reported to ENGINEER within one year from the completion of ENGINEER's services for the PROJECT.

7.2.2 In addition, ENGINEER will be responsible to CITY for damages caused by its negligent conduct during its activities at the PROJECT site or in the field.

7.2.3 Professional Oversight Indemnification

ENGINEER understands and agrees that CITY has contracted with ENGINEER based upon ENGINEER's representations that ENGINEER is a skilled professional and fully able to provide the services set out in this Agreement. In addition to any other indemnification set out in this Agreement, ENGINEER agrees to defend, indemnify and hold and save harmless CITY from any and all claims, settlements and judgments whatsoever arising out of CITY's alleged negligence in hiring or failing to properly supervise ENGINEER. ENGINEER agrees to provide CITY with Certificate(s) of Insurance evidencing that all coverages, limits and endorsements are maintained and in full force and effect.

7.3 Estimates and Projections

Estimates and projections prepared by ENGINEER relating to construction costs and schedules, operation and maintenance costs, equipment characteristics and performance, and operating results are based on ENGINEER's experience, qualifications and judgment as a design professional. Since ENGINEER has no control over weather, cost and availability of labor, material and equipment, labor productivity, construction contractor's procedures and methods, unavoidable delays, construction contractor's methods of determining prices, economic conditions, competitive bidding or market conditions and other factors affecting such estimates or projections, ENGINEER does not guarantee that actual rates, costs, performance, schedules, etc., will not vary from estimates and projections prepared by ENGINEER.

7.4 On-Site Services

PROJECT site visits by ENGINEER during construction shall not make ENGINEER responsible for construction means, methods, techniques, sequences or procedures; for construction safety precautions or programs; or for any construction contractor(s)' failure to perform its work in accordance with the plans and specifications.

7.5 Changes

CITY shall have the right to make changes within the general scope of ENGINEER's services, with an appropriate change in compensation and/or schedule, upon execution of a mutually acceptable amendment or change order signed by an authorized representative of CITY and the President or any Vice President of ENGINEER.

7.6 Suspension of Services

Should CITY fail to fulfill its responsibilities as provided under Section 4 to the extent that ENGINEER is unduly hindered in ENGINEER's services or if CITY fails to make any payment to ENGINEER on account of its services and expenses within ninety (90) days after receipt of ENGINEER's bill therefor, ENGINEER may, after giving seven (7) days' written notice to CITY, suspend services under this Agreement until CITY has satisfied his obligations under this Agreement.

7.7 Termination

Services may be terminated by the CITY at any time and for any reason, and by ENGINEER in the event of substantial failure to perform in accordance with the

terms hereof by CITY through no fault of ENGINEER, by ten (10) days' notice. If so terminated, CITY shall pay ENGINEER all uncontested amounts due ENGINEER for all services properly rendered and expenses incurred to the date of receipt of notice of termination.

7.7.1 In the event of CITY's termination of this Agreement pursuant to the above section, all finished or unfinished documents, data, studies, surveys, drawings, maps, models, photographs and reports prepared under this Agreement, shall at the option of CITY become its property.

Further, ENGINEER shall not be relieved of any liability to CITY for any damages sustained by CITY by virtue of any breach of this Agreement by ENGINEER and CITY may withhold any payments due ENGINEER for the purpose of set-off until such time as the exact amount of damages to CITY, if any, is determined.

7.8 Publications

Recognizing the importance of professional development on the part of ENGINEER's employees and the importance of ENGINEER's public relations, ENGINEER may prepare publications, such as technical papers, articles for periodicals, and press releases, pertaining to ENGINEER's services for the PROJECT. Such publications will be provided to CITY in draft form for CITY's advance review. CITY will review such drafts promptly and will provide comments to ENGINEER. CITY may require deletion of proprietary data or confidential information from such publications but otherwise will not unreasonably withhold its approval. The cost of ENGINEER's activities pertaining to any such publication shall be paid entirely by ENGINEER.

Mr. Tanner Morrell
City of Columbia

Re: *Proposal for the 10th & Cherry Parking Structure
Professional Services, Restoration Construction Documents,
Bidding, and Construction Administration
Columbia, Missouri*

Dear Mr. Morrell:

Walker Consultants is pleased to submit our proposal for professional engineering services to prepare construction documents and provide construction phase services for the repair and maintenance of the 10th & Cherry Parking Structure in Columbia, Missouri. The proposed construction documents will be based on the findings outlined in the Walker Consultants Condition Appraisal report dated October 2016. We are pleased with the opportunity to continue to provide restoration services on this project for the City of Columbia.

The objectives of the project are:

- Develop necessary restoration documents for the parking structure
- Assist the City of Columbia in bidding the restoration contract
- Monitor and administer the restoration construction

PROJECT UNDERSTANDING

The 10th and Cherry Parking Structure, constructed in 1995, is rectangular with overall plan dimensions of approximately 125 feet in the north-south direction and 210 feet in the east-west direction. The structure consists of three supported levels and one slab-on-grade level. It is a freestanding precast concrete structure and has two bays in the east-west direction and eight bays in the north-south direction. Vehicle movement through the structure is by a single threaded helix.

There are two vehicle entrances into the parking structure. The entrances are along the east and west elevations at the street level. There are two pedestrian entrances, the first is a combined stair/elevator tower located at the northwest corner and is the main pedestrian access point. The other stair tower is located at the southeast corner of the structure. The structural system consists of 8-foot wide, precast double-tees with cast-in-place

concrete topping supported on precast beams and columns. The lateral load resistance systems are provided by interior precast shear walls and light walls. The exterior façade is composed of composite thin brick facing on precast spandrel beams and brick veneer at all elevations.

Walker Consultants performed a Condition Appraisal of the 10th & Cherry Parking Structure in October 2016. Our report identified required repairs and maintenance for year 2018, such as concrete repairs, joint sealant replacement, floor drains, and miscellaneous repairs to steel bracket plates and wall copings.

It is our understanding that you would like us to prepare Construction Documents for the recommended repairs. The intent of our Construction Documents is to provide repair plans, details, and specifications that can be used to competitively bid the repairs from qualified restoration contractors. You would also like us to provide customary construction administration services, such as part-time site visits to observe the work for general conformance with construction document intent and review contractor pay applications.

SCOPE OF SERVICES

To achieve the objectives outlined above, we propose the following two phases of services:

PHASE 1 – CONSTRUCTION DOCUMENTS

The Construction Documents Phase will consist of preparing repair documents based on the suggested repair recommendations outlined in our Condition Appraisal report dated October 2016. The following tasks will be performed during this phase.

TASK 1 – BID DOCUMENTS

1. Review the original architectural and structural drawings and project specifications to familiarize ourselves with the original design intent.
2. Prepare construction documents (drawings and technical specifications) to address the conditions outlined above.
 - a. The drawings will outline the location and extent of parking deck and façade repairs.
 - b. The specifications will outline the qualitative and administrative requirements for the project.
3. Prepare Instructions to Bidders and a set of General Conditions that include site-specific instructions and special requirements with respect to minimizing disruption to the City of Columbia operations.
4. Prepare a bid form listing estimated quantities for the unit price work as well as lump sum repair work items. Bid Documents will request bidders' unit prices to be used for performing the work and alternative pricing forms, if needed.
5. Submit a 90% review set of Construction Documents in PDF format to you for review and comment
6. Incorporate your comments into the Construction Documents. We anticipate one conference call meeting to present our Bid Documents.

7. Issue the Construction Documents, including the plans and specifications in PDF format, for download and printing by the contractors.

TASK 2 – BIDDING

1. Conduct a pre-bid conference with interested and qualified repair contractors at the site. Answer any questions that the contractors may have and review the limitations and the extent of work required by the repair documents.
2. Issue addendum to clarify questions raised by repair contractors. Addenda will be distributed by email to facilitate distribution.
3. Assist in the evaluation of bids from contractors bidding on the repair work.
4. Drawings will be signed and sealed by Walker for submission to the City by the Contractor for a local permit.

PHASE 2 – CONSTRUCTION ADMINISTRATION

The following professional engineering services are normally provided by us on an hourly rate basis during the Construction Phase. Walker recommends performing four total site visits during this phase.

1. Assist in preparation of an Owner/Contractor Agreement. It is assumed that an AIA Standard Owner/Contractor Agreement will be utilized for the project.
2. Attend a preconstruction meeting for the project (1 site visit).
3. Review contractor project submittals.
4. Perform part-time site observations to verify work is being performed in general compliance with the contract documents. This proposal assumes a total of two (2) site visits during construction.
5. Participate in bi-weekly or monthly project progress meetings via conference call or in person (when coordinated with a site visit).
6. Respond to contractor inquiries during the work.
7. Review and process contractor payment applications.
8. Perform a punch-list walkthrough (1 site visit) and prepare a document outlining items requiring correction at Substantial Completion of the project.

PROFESSIONAL FEES AND EXPENSES

We propose to provide the professional services outlined in the Scope of Services as shown in the table below. The terms and conditions shall be in accordance with the attached General Conditions of Agreement.:

PHASE/TASK	ENGINEERING FEE	ESTIMATED EXPENSES
Phase 1 – Tasks 1 and 2 – Construction Documents and Bidding (Lump Sum)	\$ 10,400.00	\$ 1,000.00
Phase 2 – Construction Administration	\$ 8,400.00	\$ 2,200.00

- Bidding Period – 2 weeks

We are excited at the opportunity and look forward to again serving the City of Columbia. If you should have any additional questions, please do not hesitate to call or email us.

R. KNOWLEDGE AND NOTICE OF OCCURRENCE OR OFFENSE

The following is added to Paragraph 2. **Duties In The Event of Occurrence, Offense, Claim Or Suit of COMMERCIAL GENERAL LIABILITY CONDITIONS (Section IV)**:

Notice of an "occurrence" or of an offense which may result in a claim must be given as soon as practicable after knowledge of the "occurrence" or offense has been reported to you, one of your "executive officers" (if you are a corporation), one of your partners who is an individual (if you are a partnership), one of your managers (if you are a limited liability company), one of your trustees who is an individual (if you are a trust), or an "employee" (such as an insurance, loss control or risk manager or administrator) designated by you to give such notice.

Knowledge by any other "employee" of an "occurrence" or offense does not imply that you also have such knowledge.

COMMERCIAL GENERAL LIABILITY

Notice of an "occurrence" or of an offense which may result in a claim will be deemed to be given as soon as practicable to us if it is given in good faith as soon as practicable to your workers' compensation, accident, or health insurer. This applies only if you subsequently give notice of the "occurrence" or offense to us as soon as practicable after you, one of your "executive officers" (if you are a corporation), one of your partners who is an individual (if you are a partnership), one of your managers (if you are a limited liability company), one of your trustees who is an individual (if you are a trust), or an "employee" (such as an insurance, loss control or risk manager or administrator) designated by you to give such notice discovers that the "occurrence" or offense may involve this policy.

S. UNINTENTIONAL OMISSION

1. The following is added to Paragraph 6. **Representations of COMMERCIAL GENERAL LIABILITY CONDITIONS (Section IV):**

The unintentional omission of, or unintentional error in, any information provided by you which we relied upon in issuing this policy shall not prejudice your rights under this insurance.

2. This Provision S. does not affect our right to collect additional premium or to exercise our right of cancellation or nonrenewal in accordance with applicable insurance laws or regulations.

T. WAIVER OF TRANSFER OF RIGHTS OF RECOVERY AGAINST OTHERS TO US WHEN REQUIRED BY CONTRACT OR AGREEMENT

The following is added to Paragraph 8. **Transfer of Rights of Recovery Against Others to Us of COMMERCIAL GENERAL LIABILITY CONDITIONS (Section IV):**

We waive any rights of recovery we may have against any person or organization because of payments we make for "bodily injury", "property damage", "personal injury" or "advertising injury" arising out of:

1. Premises owned by you, temporarily occupied by you with permission of the owner, or leased or rented to you;
2. Ongoing operations performed by you, or on your behalf, under a contract or agreement with that person or organization;
3. "Your work"; or

4. "Your products".

We waive these rights only where you have agreed to do so as part of a contract or agreement entered into by you before, and in effect when, the "bodily injury" or "property damage" occurs, or the "personal injury" offense or "advertising injury" offense is committed.

U. AMENDED BODILY INJURY DEFINITION

- b. Mental anguish, injury or illness, or emotional distress, resulting at any time from such physical harm, sickness or disease; or
- c. Care, loss of services or death resulting at any time from such physical harm, sickness or disease.

AMENDMENT OF WHO IS AN INSURED

This endorsement modifies insurance provided under the following:

COMMERCIAL EXCESS LIABILITY (UMBRELLA) INSURANCE

Paragraph 2.f. of SECTION II - WHO IS AN INSURED is deleted and replaced by the following:

f. Any other person or organization insured under any policy of the "underlying insurance" listed in the SCHEDULE OF UNDERLYING INSURANCE of the DECLARATIONS of this insurance. This insurance is subject to all the provisions and limitations upon coverage under such policy of "un-

derlying insurance", and, the limits of insurance afforded to such person or organization will be:

- (i) The difference between the "underlying insurance" limits and the minimum limits of insurance which you agreed to provide; or
- (ii) The limits of insurance of this policy whichever is less.

COMMERCIAL GENERAL LIABILITY

THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.

**BLANKET ADDITIONAL INSURED
(ARCHITECTS, ENGINEERS AND SURVEYORS)**

This endorsement modifies insurance provided under the following:
COMMERCIAL GENERAL LIABILITY COVERAGE PART

A. The following is added to WHO IS AN INSURED (Section II):

Any person or organization that you agree in a "contract or agreement requiring insurance" to include as an additional insured on this Coverage Part, but only with respect to liability for "bodily injury", "property damage" or "personal injury" caused, in whole or in part, by your acts or omissions or the acts or omissions of those acting on your behalf:

- a. In the performance of your ongoing operations;
- b. In connection with premises owned by or rented to you; or
- c. In connection with "your work" and included within the "products-completed operations hazard".

Such person or organization does not qualify as an additional insured for "bodily injury", "property damage" or "personal injury" for which that person or organization has assumed liability in a contract or agreement.

The insurance provided to such additional insured is limited as follows:

- d. This insurance does not apply on any basis to any person or organization for which coverage as an additional insured specifically is added by another endorsement to this Coverage Part.
- e. This insurance does not apply to the rendering of or failure to render any "professional services".
- f. The limits of insurance afforded to the additional insured shall be the limits which you agreed in that "contract or agreement requiring insurance" to provide for that additional insured, or the limits shown in the Declarations for this Coverage Part, whichever are less. This endorsement does not increase the limits of insurance stated in the **LIMITS OF**

INSURANCE (Section III) for this Coverage Part.

B. The following is added to Paragraph a. of 4. Other Insurance in COMMERCIAL GENERAL LIABILITY CONDITIONS (Section IV):

However, if you specifically agree in a "contract or agreement requiring insurance" that the insurance provided to an additional insured under this Coverage Part must apply on a primary basis, or a primary and non-contributory basis, this insurance is primary to other insurance that is available to such additional insured which covers such additional insured as a named insured, and we will not share with the other insurance, provided that:

- (1) The "bodily injury" or "property damage" for which coverage is sought occurs; and
- (2) The "personal injury" for which coverage is sought arises out of an offense committed;

after you have entered into that "contract or agreement requiring insurance". But this insurance still is excess over valid and collectible other insurance, whether primary, excess, contingent or on any other basis, that is available to the insured when the insured is an additional insured under any other insurance.

C. The following is added to Paragraph 8. Transfer Of Rights Of Recovery Against Others To Us in COMMERCIAL GENERAL LIABILITY CONDITIONS (Section IV):

We waive any rights of recovery we may have against any person or organization because of payments we make for "bodily injury", "property damage" or "personal injury" arising out of "your work" performed by you, or on your behalf, under a "contract or agreement requiring insurance" with that person or organization. We waive these rights only where you have agreed to do so as part of the "contract or agreement requiring insurance" with such person or organization entered into by you before, and in effect when, the "bodily

COMMERCIAL GENERAL LIABILITY

injury" or "property damage" occurs, or the "personal injury" offense is committed.

D. The following definition is added to **DEFINITIONS (Section V)**:

"Contract or agreement requiring insurance" means that part of any contract or agreement under which you are required to include a person or organization as an additional insured on this Cov-

erage Part, provided that the "bodily injury" and "property damage" occurs, and the "personal injury" is caused by an offense committed:

- a. After you have entered into that contract or agreement;
- b. While that part of the contract or agreement is in effect; and
- c. Before the end of the policy period.

THE E-VERIFY PROGRAM FOR EMPLOYMENT VERIFICATION

MEMORANDUM OF UNDERSTANDING

ARTICLE I

PURPOSE AND AUTHORITY

This Memorandum of Understanding (MOU) sets forth the points of agreement between the Social Security Administration (SSA), the Department of Homeland Security (DHS) and **Walker Parking Consultants/Engineers, inc.-Kalamazoo** (Employer) regarding the Employer's participation in the Employment Eligibility Verification Program (E-Verify). E-Verify is a program in which the employment eligibility of all newly hired employees will be confirmed after the Employment Eligibility Verification Form (Form I-9) has been completed.

Authority for the E-Verify program is found in Title IV, Subtitle A, of the Illegal Immigration Reform and Immigrant Responsibility Act of 1996 (IIRIRA), Pub. L. 104-208, 110 Stat. 3009, as amended (8 U.S.C. § 1324a note).

ARTICLE II

FUNCTIONS TO BE PERFORMED

A. RESPONSIBILITIES OF THE SSA

1. Upon completion of the Form I-9 by the employee and the Employer, and provided the Employer complies with the requirements of this MOU, SSA agrees to provide the Employer with available information that allows the Employer to confirm the accuracy of Social Security Numbers provided by all newly hired employees and the employment authorization of U.S. citizens.
2. The SSA agrees to provide to the Employer appropriate assistance with operational problems that may arise during the Employer's participation in the E-Verify program. The SSA agrees to provide the Employer with names, titles, addresses, and telephone numbers of SSA representatives to be contacted during the E-Verify process.
3. The SSA agrees to safeguard the information provided by the Employer through the E-Verify program procedures, and to limit access to such information, as is appropriate by law, to individuals responsible for the verification of Social Security Numbers and for evaluation of the E-Verify program or such other persons or entities who may be authorized by the SSA as governed by the Privacy Act (5 U.S.C. § 552a), the Social Security Act (42 U.S.C. 1306(a)), and SSA regulations (20 CFR Part 401).
4. SSA agrees to establish a means of automated verification that is designed (in conjunction with DHS's automated system if necessary) to provide confirmation or tentative nonconfirmation of U.S. citizens' employment eligibility and accuracy of SSA records for both citizens and aliens within 3 Federal Government work days of the initial inquiry.
