Hello Ms. Roland,

Thank you for your time this morning. Vested Interest in K9s, Inc. is a 501c(3) non profit nationwide charity whose mission is to provide bullet and stab protective vests and other assistance to dogs of law enforcement and relate agencies. We have proudly donated over 2600 ballistic vests in all 50 states at a cost of \$2.1 million dollars. THERE IS NOT COST TO ANY DEPARTMENT. We invite you to visit our website for additional information at [www.vik9s.org](http://www.vik9s.org).

It is our understanding after communicating with Sergeant Scott Hedrick, that four of the Columbia Police Department K9s do not have bullet/stab protective vests. It would be our great pleasure to work with your agency to make this donation possible for K9s Kane, Duncan, Gorrit and Raf through our grant program.

Sergeant Hedrick will email you under separate cover the criteria and guidelines for the vest program which he received via email from our applications department.

It is also our wish to work together in the future, should your department obtain additional K9s that are in need of ballistic vests and related K9 equipment. We offer various other programs that your agency may qualify for, once they have obtained vests from our organization.

I look forward to hearing from you.
