Speaker's Name: (please indicate if more than one speaker): Timothy Love

Email Address: lovetimr@aol.com

Topic (please be specific): "We are NOT Crying Wolf. We are NOT Weaponizing Victimization"

In the past several months, local Missouri policeman, state policeman, and at least one prosecutor have either accused me of "playing the race card" or making frivolous accusations when mentioning the possibility of police bias. Though credible studies affirm the existence of racial profiling in Columbia, Ferguson, St. Louis, and other areas of the state, accusations of racism are often taken lightly. My speech seeks to present empirical evidence concerning the reality of local, state, and national systemic racism, challenging jaded or numb mentalities which undermine the prospect of endemic prejudice among law enforcement.

I understand that the information submitted in this form will be published with a City Council agenda and will be made available to the public.: yes
