Re: Adopt-A-Spot Beautification Agreements

Executive Summary

Volunteer Programs, part of the Community Development Department, is submitting for approval three Adopt-A-Spot Beautification agreements allowing volunteers to care for landscaping at City property or in City right of way.

Discussion

Volunteers are responsible for maintaining landscaped beds in city or state right of way in the City of Columbia at 113 locations. Adopters are responsible for weeding, watering, and mulching the beds and planting annual flowers and bulbs. Agreements are written for a four-year commitment and each bed has a sign to acknowledge the efforts of the adopter. With these agreements and others in progress, the Adopt-A-Spot Beautification program is at a 92% adoption rate.

Staff is asking for council to approve five agreements with volunteers to care for Adopt-A-Spots:

- Ed Hohlt will care for the roundabout located at Scott Blvd and Vawter School Rd. We are excited for Ed, an already dedicated adopter, to care for the bed.
- The Mowing Magician will be maintaining the medians on Rolling Hills Road and Highway WW, to the north and south of the roundabout. This new adopter is looking forward to utilizing their skills to beautify the City.
- The North Village Arts District will be adopting the southwest corner of Orr Street and E. Ash Street. This location was previously adopted by long-term adopter Melodi Beach, and we are eager to see the bed transform after recent concrete construction work to accommodate relocation of a trash compactor.

The City supports volunteers with plants, mulch and other support. Spots are reviewed to provide feedback to volunteers and help ensure program quality. Agreements are terminated when volunteers are not meeting the standards for weed free beds and color throughout the growing season.

The City's Volunteer Programs staff appreciates the investment that volunteers put into Adopt-A-Spot beds to be enjoyed by hundreds of residents and visitors each day.

Fiscal Impact

Short-Term Impact: The City will provide signs acknowledging adopters in each bed for a total cost of \$130. Additional support for mulch and plants should not exceed \$1,000.

City of Columbia

701 East Broadway, Columbia, Missouri 65201

Long-Term Impact: The City's Volunteer Programs provides ongoing support for Adopt A Spot beds including water meter and hydrant maintenance and repair, replacement plants, mulch, bulbs and annual flowers. No more than \$15,000 is spent on the program to help maintain more than 100 sites. Volunteers provide the labor to maintain these beds at no cost to the City.
