PUBLIC COMMENT FORM

Please comment on what you like about the proposed potential improvements. Please be concise.

I like the overall plan to maintain the historic appearance of the house including the paint colors and cedar shakes of the roof.

This is an important project that will protect the home for the foreseeable future until the next generation assumes responsibility.

What would you change about the proposed potential improvements? Please be concise.

Hopefully the plan will also address the decay on the porches.

It's unfortunate that the copper gutters cannot be restored to the original look.

Boone House repair (exterior)

I am pleased the City & Boone Foundation consulted w/ a historic preservation professional.

What would you change about the proposed potential improvements? Please be concise.

I am concerned that this project could alter the historic integrity of this landmark. Since the Boone House is listed on the National Register of Historic Places, all repair must comply w/ the Secretary of Interior Standards.

THE PROPOSED IMPROVEMENTS ARE ON TARGET.  
ASSUMING THAT THE HISTORICAL PERSPECTIVE IS  
MAINTAINED, THE CONCRETE SIDING OPTION WOULD BE  
A MORE PRACTICAL SOLUTION.

PRAISE TO THE CITY FOR RECOGNIZING THE  
SIGNIFICANCE OF THIS OLD HOUSE!  
THANKS
