Council Meeting Date: March 19, 2018

Re: Municipal Agreement with MHTC for Improvements to Portions of College Avenue

Executive Summary

Authorize the City Manager to execute a Municipal Agreement with Missouri Highways and Transportation Commission (MHTC) for improvements to portions of College Avenue (MO 763) between Business Loop 70 and Stadium Boulevard (MO 740).

Discussion

Beginning this summer, MoDOT intends to mill and overlay College Avenue from the intersection of Business Loop 70 to the intersection of Stadium Boulevard, a distance of approximately two miles within the city limits. This improvement also includes modifications to sidewalks, MoDOT signals and markings along this section of roadway. The agreement with MHTC is necessary as some tie-in work and traffic control may be needed along city streets adjacent to College Avenue. The amount of work is not expected to be extensive, but traffic along and around College Avenue will be impacted as the work is being performed.

The Sewer Utility is pursuing repair of a deteriorated sewer line near the Rollins Road intersection scheduled to be completed during spring break or early summer of 2018. MoDOT is coordinating with the University of Missouri for sidewalk construction near campus with most of that work anticipated to be completed during the summer of 2018. Other portions of the improvements will be performed during the fall and winter of 2018, with some work anticipated to be completed in 2019, dependent upon weather and other factors.

Fiscal Impact

Short-Term Impact: None, this is a MoDOT project.

Long-Term Impact: None

Strategic & Comprehensive Plan Impact

[Strategic Plan Impacts:](#)

Primary Impact: Infrastructure, Secondary Impact: Secondary, Tertiary Impact: Tertiary

[Comprehensive Plan Impacts:](#)

Primary Impact: Inter-Governmental Cooperation, Secondary Impact: Secondary, Tertiary Impact: Tertiary
