REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE  
AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS  
PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

---

INDEPENDENT AUDITOR'S REPORT

To the Honorable Mayor and  
Members of the City Council  
**City of Columbia, Missouri**

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States (*Government Auditing Standards*), the financial statements of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of City of Columbia, Missouri (City) as of and for the year ended September 30, 2023, and the related notes to the financial statements, which collectively comprise the City's basic financial statements, and have issued our report thereon dated February 2, 2024.

**Report on Internal Control Over Financial Reporting**

In planning and performing our audit of the financial statements, we considered the City's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the City's internal control. Accordingly, we do not express an opinion on the effectiveness of the City's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the City's financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

**Report on Compliance and Other Matters**

As part of obtaining reasonable assurance about whether the City's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

**Purpose of this Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the City's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the City's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

REPORT ON COMPLIANCE FOR EACH MAJOR FEDERAL PROGRAM;  
REPORT ON INTERNAL CONTROL OVER COMPLIANCE; AND REPORT ON SCHEDULE OF  
EXPENDITURES OF FEDERAL AWARDS REQUIRED BY THE UNIFORM GUIDANCE

---

INDEPENDENT AUDITOR'S REPORT

To the Honorable Mayor and  
Members of the City Council  
**City of Columbia, Missouri**

**Report on Compliance for Each Major Federal Program**

***Opinion on Each Major Federal Program***

We have audited the City of Columbia, Missouri's (City) compliance with the types of compliance requirements identified as subject to audit in the *OMB Compliance Supplement* that could have a direct and material effect on each of the City's major federal programs for the year ended September 30, 2023. The City's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

In our opinion, the City complied, in all material respects, with the compliance requirements referred to above that could have a direct and material effect on each of its other major federal programs for the year ended September 30, 2023.

***Basis for Opinion on Each Major Federal Program***

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America (GAAS); the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States (*Government Auditing Standards*); and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of the City and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program. Our audit does not provide a legal determination of the City's compliance with the compliance requirements referred to above.

***Responsibilities of Management for Compliance***

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules and provisions of contracts or grant agreements applicable to the City's federal programs.

***Auditor's Responsibility for the Audit of Compliance***

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on the City's compliance based on our audit. Reasonable assurance is a high level of assurance

but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS, *Government Auditing Standards*, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material, if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about the City's compliance with the requirements of each major federal program as a whole.

In performing an audit in accordance with GAAS, *Government Auditing Standards*, and the Uniform Guidance, we

- exercise professional judgment and maintain professional skepticism throughout the audit.
- identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the City's compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- obtain an understanding of the City's internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of the City's internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

#### ***Other Matters***

The results of our auditing procedures disclosed instances of noncompliance which are required to be reported in accordance with the Uniform Guidance and which are described in the accompanying schedule of findings and questioned costs as item 2023-001. Our opinion on each major federal program is not modified with respect to these matters.

*Government Auditing Standards* requires the auditor to perform limited procedures on the City's response to the noncompliance finding identified in our compliance audit described in the accompanying schedule of findings and questioned costs. The City's response was not subjected to the other auditing procedures applied in the audit of compliance and, accordingly, we express no opinion on the response.

#### **Report on Internal Control Over Compliance**

Our consideration of internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance and therefore, material weaknesses or significant deficiencies may exist that have not been identified. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, as discussed below, we did identify certain deficiencies in internal control over compliance that we consider to be a significant deficiency.

*A deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance. We consider the deficiencies in internal control over compliance described in the accompanying schedule of findings and questioned costs as item 2023-001 to be a significant deficiency.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

*Government Auditing Standards* requires the auditor to perform limited procedures on the City's response to the internal control over compliance finding identified in our audit described in the accompanying schedule of findings and questioned costs. The City's response was not subjected to the other auditing procedures applied in the audit of compliance and, accordingly, we express no opinion on the response.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

#### **Report on Schedule of Expenditures of Federal Awards Required by the Uniform Guidance**

We have audited the financial statements of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of the City as of and for the year ended September 30, 2023, and the related notes to the financial statements, which collectively comprise the City's basic financial statements. We issued our report thereon dated February 2, 2024, which contained unmodified opinions on those financial statements. Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the basic financial statements. The accompanying schedule of expenditures of federal awards is presented for purposes of additional analysis as required by the Uniform Guidance and is not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. The information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the schedule of expenditures of federal awards is fairly stated in all material respects in relation to the basic financial statements as a whole.

# CITY OF COLUMBIA, MO

## NOTES TO SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS

Year Ended September 30, 2023

### 1. **Basis of Presentation**

The accompanying schedule of expenditures of federal awards (SEFA) includes the federal grant activity of the City of Columbia, Missouri (City) for the year ended September 30, 2023. All federal financial assistance received directly from federal agencies, as well as federal financial assistance passed through other governmental agencies expended during the year, is included in the schedule. The information in the schedule is presented in accordance with the requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles and Audit Requirements for Federal Awards* (Uniform Guidance). Therefore, some amounts presented in the schedule may differ from amounts presented in or used in the preparation of the basic financial statements. Because the SEFA presents only a select portion of the operations of the City, it is not intended to and does not present the financial position of the City.

### 2. **Significant Accounting Policies**

Expenditures of federal awards are recognized under the modified accrual basis of accounting. Such expenditures are recognized following the cost principles contained in the Uniform Guidance wherein certain types of expenditures are not allowable or are limited as to reimbursement.

### 3. **Indirect Cost Rate**

The City elected not to use the 10% de minimis indirect cost rate allowed under the Uniform Guidance.

CITY OF COLUMBIA, MO

SCHEDULE OF FINDINGS AND QUESTIONED COSTS

Year Ended September 30, 2023

**SECTION II – FINANCIAL STATEMENT FINDINGS**

---

None

**CITY OF COLUMBIA, MO**

**SCHEDULE OF FINDINGS & QUESTIONED COSTS  
(CONTINUED)**

Year Ended September 30, 2023

---

**SECTION III – FEDERAL AWARD FINDINGS AND QUESTIONED COSTS**

---

**Finding 2023-001 – Report review (Significant Deficiency):**

**Assistance # 93.323 – Epidemiology and Laboratory Capacity for Infectious Diseases (ELC)**

**Federal Award # and Year:** DH220051246, DH220051699, 2023

**Name of Federal Agency:** U.S. Department of Health and Human Services

**Name of Pass-Thru Agency:** Missouri Department of Health

**Type of Compliance Finding:** L - Reporting

**Condition:** A secondary review or approval of quarterly reports was not documented. One of the required quarterly reports was not filed during the year. Neither of the annual reports were filed until requested during the audit.

**Criteria:** Someone other than the preparer of the reports should be reviewing the information for accuracy prior to submission. Someone should also be ensuring that all required reports are being properly submitted.

**Questioned Costs:** N/A

**Repeat Finding:** Yes. Reported as 2022-005 in prior year.

**Context:** Supervisor approval was not documented for the quarterly reports. Additionally, one of the required quarterly reports was not filed during the year. Neither of the annual reports were filed until requested during the audit.

**Cause:** The City did not have a formal policy in place to document a secondary review or approval of the reports prior to submission or to monitor reporting process to ensure required reports were completed.

**Effect:** Information could be incorrectly reported to the pass-thru agency.

**Recommendations:** We recommend the City implement a policy to ensure reports are being reviewed by someone other than the preparer and that documentation of that review be maintained. Additionally, we recommend that the City implement a policy to ensure reports are filed in accordance with the grant agreement.

**Views of Responsible Officials (Unaudited):** Management acknowledges that a secondary review or approval of grant reports is an important internal control, and that timely grant reporting is essential.

**Corrective Action Plan (Unaudited):** The Department of Public Health and Human Services (PHHS) will create the proper processes and procedures to track reporting requirements and document internal review and approvals prior to report submissions. The Grant Administrator will create the proper processes and procedures to track reporting requirements and notify departments of upcoming submission deadlines.

**Contact Person:** Matthew Lue, Director of Finance

**Anticipated Completion Date:** This will be accomplished for the fiscal year 2024 year-end.

**CITY OF COLUMBIA, MO**

**SCHEDULE OF FINDINGS AND QUESTIONED COSTS  
(CONTINUED)**

Year Ended September 30, 2023

---

**SECTION IV – SUMMARY SCHEDULE OF PRIOR AUDIT FINDINGS**

---

**Finding 2022-001 – Accounts Receivable (Significant Deficiency):**

**Condition:** Multiple adjustments were recorded during the audit process related to accounts receivable balances.

**Criteria:** Management is responsible for designing internal controls that are sufficient to ensure that year-end closing entries are adequately reviewed and approved and that resulting financial statement balances are appropriately reported.

**Context:** After review of year-end transactions, adjustments were required to properly record the accounts receivable balance.

**Cause:** Internal controls over the year-end close process were not sufficient to identify all accounts receivable entries.

**Effect:** Financial statement balances could be materially misstated.

**Recommendations:** We recommend that the finance department work with each department at the City to ensure that there is a uniform process in place across all city departments to track and properly record receivable balances at year end.

**Status:** Management created an accounts receivable policy for all City departments to adhere to in order to create consistency in how accounts receivable balances are recorded throughout the year.

**Finding 2022-002 – Schedule of Expenditures of Federal Awards Preparation (Significant Deficiency):**

**Condition:** 2 CFR Part 200, section 200.510 requires the City to prepare a schedule of expenditures of federal awards (SEFA) for the period covered by the financial statements. Management's general ledger activity captures most of the information needed to compile the SEFA. However, during testing of the SEFA, we noted that some of the expenses were not correctly identified.

**Criteria:** An entity that expends federal awards must have controls in place that would enable the entity to prepare a SEFA including controls that determine the accuracy of the amount of expenditures reported for each federal program.

**Questioned Costs:** N/A

**Context:** The City expended \$235,277 during fiscal year 2022 that was not initially included on the City's SEFA. The City also initially incorrectly identified incorrect assistance listing numbers reported on the SEFA.

**CITY OF COLUMBIA, MO**

**SCHEDULE OF FINDINGS AND QUESTIONED COSTS  
(CONTINUED)**

Year Ended September 30, 2023

---

**SECTION IV – SUMMARY SCHEDULE OF PRIOR AUDIT FINDINGS (CONTINUED)**

---

**Cause:** The City matched amounts reported in the SEFA to amounts requested for reimbursement and recorded as accounts receivable rather than amounts expended during the fiscal year.

**Effect:** The lack of an accurate and complete SEFA could lead to grant noncompliance and noncompliance with Subpart F, *Audit Requirements*, of 2 CFR Part 200.

**Recommendations:** We recommend management and staff complete annual training related to single audits and the preparation of the SEFA. Additionally, we recommend the City implement a process to review the SEFA.

**Status:** On March 2, 2023, the Grant Administrator became the primary contact for all grant related activity. This position works closely with each division that receives grant revenue, and assists Finance with tracking reimbursements and expenditures.

**Finding 2022-003 – Timesheet approval (Significant Deficiency):**

**Assistance # 21.027 – Coronavirus State and Local Fiscal Recovery Funds**

**Federal Award # and Year:** 1505-0271, 2021

**Name of Federal Agency:** U.S. Department of Treasury

**Name of Pass-Thru Agency:** N/A

**Type of Compliance Finding:** A – Activities Allowed or Unallowed, B – Allowable Costs/Cost Principles

**Condition:** Supervisor review of timesheets was not documented.

**Criteria:** Someone other than the preparer of the timesheet should be reviewing the information prior to submission for payment.

**Questioned Costs:** N/A

**Context:** Supervisor approval was missing from 27 of the 60 payroll expenditures tested. The sample size was determined based upon guidelines provided by the AICPA which is not a statistically valid sample.

**Cause:** The City did not require supervisor approval for timesheets for employees at the fire department during the year.

**Effect:** The time reported could be inaccurate.

**Recommendations:** We recommend the City implement a policy to ensure supervisors approve timesheets prior to submission for payment.

**CITY OF COLUMBIA, MO**

**SCHEDULE OF FINDINGS AND QUESTIONED COSTS  
(CONTINUED)**

Year Ended September 30, 2023

---

**SECTION IV – SUMMARY SCHEDULE OF PRIOR AUDIT FINDINGS (CONTINUED)**

---

**Status:** Management has instructed the Fire Department submitters and supervisors to sign all paper timesheets, and provide those signed copies to the Payroll Department for retention. Additionally, the City is currently undergoing an implementation of an electronic time and attendance system.

**Finding 2022-004 – Timesheet approval (Significant Deficiency):**

**Assistance # 93.323 – Epidemiology and Laboratory Capacity for Infectious Diseases (ELC)**

**Federal Award # and Year:** DH220051246, 2021

**Name of Federal Agency:** U.S. Department of Health and Human Services

**Name of Pass-Thru Agency:** Missouri Department of Health

**Type of Compliance Finding:** A – Activities Allowed or Unallowed, B – Allowable Costs/Cost Principles

**Condition:** Supervisor review of timesheets was not documented.

**Criteria:** Someone other than the preparer of the timesheet should be reviewing the information prior to submission for payment.

**Questioned Costs:** N/A

**Context:** Supervisor approval was missing from 35 of the 60 payroll expenditures tested. The sample size was determined based upon guidelines provided by the AICPA which is not a statistically valid sample.

**Cause:** During the year, the supervisor emailed approval of timesheets to the payroll department for processing. Documentation of the approval was not retained for all pay periods.

**Effect:** The time reported could be inaccurate.

**Recommendations:** We recommend the City implement a policy to ensure supervisors approve timesheets prior to submission for payment.

**Status:** Management has instructed the Health Department submitters and supervisors to sign all paper timesheets, and provide those signed copies to the Payroll Department for retention. Additionally, the City is currently undergoing an implementation of an electronic time and attendance system.

**Finding 2022-005 – Report review (Significant Deficiency):**

**Assistance # 93.323 – Epidemiology and Laboratory Capacity for Infectious Diseases (ELC)**

**Federal Award # and Year:** DH220051246, 2021

**Name of Federal Agency:** U.S. Department of Health and Human Services

**Name of Pass-Thru Agency:** Missouri Department of Health

**Type of Compliance Finding:** L - Reporting

**CITY OF COLUMBIA, MO**

**SCHEDULE OF FINDINGS AND QUESTIONED COSTS  
(CONTINUED)**

Year Ended September 30, 2023

---

**SECTION IV – SUMMARY SCHEDULE OF PRIOR AUDIT FINDINGS (CONTINUED)**

---

**Condition:** A secondary review or approval of quarterly reports was not documented. One of the required quarterly reports was not filed until requested for the audit.

**Criteria:** Someone other than the preparer of the reports should be reviewing the information for accuracy prior to submission. Someone should also be ensuring that quarterly reports are being properly submitted.

**Questioned Costs:** N/A

**Context:** Supervisor approval was not documented for 2 of the 3 reports selected. Additionally, one of the required quarterly reports was not filed until requested for the audit. The sample size was determined based upon guidelines provided by the AICPA which is not a statistically valid sample.

**Cause:** The City did not have a formal policy in place to require a secondary review or approval of the reports prior to submission or to monitor reporting process to ensure required reports were completed.

**Effect:** Information could be incorrectly reported to the pass-thru agency.

**Recommendations:** We recommend the City implement a policy to ensure reports are being reviewed by someone other than the preparer and documented. Additionally, we recommend that the City implement a policy to ensure reports are filed in accordance with the grant agreement.

**Status:** Comment repeated in current year as finding 2023-001.
