Council Meeting Date: December 4, 2017

Re: Road Relinquishment Agreement with Missouri Highways & Transportation Commission for Conveyance of a Portion of Business Route 63

## Executive Summary

Repeal Ordinance 022850 dated June 20, 2016 and authorize the City Manager to execute a new road relinquishment agreement with the Missouri Highways and Transportation Commission (MHTC) for the conveyance of a portion of Business Route 63 from Business Loop 70 southerly to Route 740/Stadium Boulevard and from Route 740/Stadium Boulevard southerly to Route AC.

## Discussion

On June 20, 2016 Council Bill 142-16 was passed authorizing a road relinquishment agreement with MHTC for the conveyance of 2.275 miles of Business Route 63 from Business Loop 70 southerly to Route 740/Stadium Boulevard, and 1.150 miles from Route 740/Stadium Boulevard southerly to Route AC. The Public Works Street division has maintained this roadway for a number of years and the agreement merely transferred ownership and maintenance from the state to the City.

Staff was recently contacted by MoDOT concerning a change in route status conveying an additional 0.183 miles of Business Route 63 at the Stadium intersection; therefore, staff is requesting that Council repeal Ordinance 022850 and authorize the City Manager to execute a new road relinquishment agreement with MHTC conveying 2.341 miles of Business Route 63 from Business Loop 70 southerly to Route 740/Stadium Boulevard, and 1.267 miles from Route 740/Stadium Boulevard southerly to Route AC.

## Fiscal Impact

Short-Term Impact: No impact with this agreement as this section of roadway is already being maintained by Street Operations, and maintenance costs have been included in the Street Operations annual budget.

Long-Term Impact: None

## Strategic & Comprehensive Plan Impact

### Strategic Plan Impacts:

Primary Impact: Not Applicable, Secondary Impact: Secondary, Tertiary Impact: Tertiary

### Comprehensive Plan Impacts:

Primary Impact: Mobility, Connectivity, and Accessibility, Secondary Impact: Secondary, Tertiary Impact: Tertiary
