Ordinance No. _____

Council Bill No. B 58-18

AN ORDINANCE

determining it is in the public interest to install active warning devices at the Columbia Terminal Railroad's (COLT) intersection with Mount Zion Church Road in Hallsville, Missouri; approving and adopting plans and specifications; determining that the work shall be done by contract; calling for bids through the Purchasing Division; authorizing a supplemental agreement for highway/rail crossing signal improvements with the Missouri Highways and Transportation Commission; appropriating funds; providing for payment for the improvement; authorizing the City Manager to obtain, execute and record all documents necessary for the improvement; providing for compliance with the prevailing wage law and state-mandated construction safety training; and fixing the time when this ordinance shall become effective.

WHEREAS, an interested parties meeting for the proposed installation of active warning devices at the Columbia Terminal Railroad's (COLT) intersection with Mount Zion Church Road in Hallsville, Missouri was held by the City Utilities Department on February 28, 2018; and

WHEREAS, the City Council adopted a resolution declaring the necessity for the proposed improvement project; and

WHEREAS, the notice of a public hearing on this project was published in a daily newspaper of general circulation in the city; and

WHEREAS, the City Council has held a public hearing on construction of the proposed improvement.

NOW, THEREFORE, BE IT ORDAINED BY THE COUNCIL OF THE CITY OF COLUMBIA, MISSOURI, AS FOLLOWS:

SECTION 1. The Council finds that the installation of active warning devices to include flashing light signals and gates with LED lights, audible bells and a signal bungalow with island-type circuitry and overhead cantilevers at the Columbia Terminal Railroad's (COLT) intersection with Mount Zion Church Road in Hallsville, Missouri, is necessary for

the welfare and improvement of the city and that it is in the public interest that such improvements be made.

SECTION 2. The plans and specifications for this improvement project, as prepared by the Director of City Utilities, are hereby approved.

SECTION 3. The construction of the improvement project shall be done by contract in accordance with the plans and specifications, the laws of the State of Missouri, and the Charter and Ordinances of the City of Columbia, Missouri.

SECTION 4. The Purchasing Agent is hereby authorized to call for bids and execute a contract for the improvement project.

SECTION 5. The City Manager is hereby authorized to execute a supplemental agreement for highway/rail crossing improvements with the Missouri Highways and Transportation Commission. The form and content of the agreement shall be substantially in the same form as set forth in "Attachment A" attached hereto.

SECTION 6. The sum of \$170,012.00 is hereby appropriated from the Federal Revenues Account No. 5031-461000 R0073 to the Traffic Signals and Signs Account No. 50317888-606654 R0073.

SECTION 7. Payment for this improvement project shall be made from reimbursement received from the Missouri Highways and Transportation Commission and such other funds as may be lawfully appropriated.

SECTION 8. The City Manager is authorized to obtain, execute and have recorded all licenses, easements, deeds and any other conveyances or instruments necessary for the City to complete this improvement project.

SECTION 9. Pursuant to Section 290.250 RSMo., the contract for the improvement project shall provide that not less than the prevailing hourly rate of wages, as found by the Department of Labor and Industrial Relations of Missouri, shall be paid to all workers performing work under the contract. The contractor's bond shall guarantee the faithful performance of the prevailing hourly wage clause in the contract.

SECTION 10. Pursuant to Section 292.675 RSMo., the bid specifications and contract for the improvement project shall provide that the contractor and any subcontractor shall provide a ten-hour Occupational Safety and Health Administration construction safety program (or a similar program approved by the Missouri Department of Labor and Industrial Relations) for all employees working on-site. All employees working on the site of the improvement project are required to complete the safety program within 60 days of beginning work on the improvement project.

SECTION 11. This ordinance shall be in full force and effect from and after its passage.

PASSED this _____ day of _____, 2018.
