RE: Right of Use Permit for a private heated loop system @ 29th S. 8th Street and Cherry Street.

Dear Mr. Hagenhoff,

On behalf of Columbia Hotel Investments, we herewith submit a request for a Right of Use Permit to allow the placement of a private heated loop system in the public right-of-way of 29th S. 8th Street and Cherry Street. We are requesting to place heated loop lines from the corner of 29th S. 8th Street along Cherry Street right-of-way adjacent to Glenn's Café. These heated loop lines will help to insure safe and comfortable travel during inclement weather, such as snow and ice. It also helps to beautify the right-of-way. We have attached an exhibit indicating the areas that would be affected.

Feel free to contact me with any questions or concerns.

Best Regards,

Terry L. Young
