Re: Legislation: Intergovernmental Relations Policy Resolution and 2018 Monitoring Priorities

Executive Summary

The proposed intergovernmental relations policy resolution would repeal PR7-14 enacted Jan. 21, 2014. The draft submitted for review allows for full Council participation and for day-to-day delegation to the City Manager.

Discussion

The proposed "top 10" bill-tracking categories (Appendix A) include priorities identified by City Council members; the City Manager; and the Columbia/Boone County Partnership. The Partnership jointly supports and encourages support for a limited number of bills. It includes representatives from the City of Columbia; Boone County; Columbia Chamber of Commerce; Columbia Public Schools; University of Missouri; and Moberly Area Community College.

Although the deadline to file new bills is March 1, the scope and nature of legislation will continue to change until the end of session in mid-May. The City's priorities should be focused primarily on critical issues and then on a "watch list" of bills that could affect City operations. We will continue to consult with statewide associations, including the Missouri Municipal League, where there are common interests.
