on the following terms and conditions set out herein.

2. The total purchase price for the parcels shall be Four Hundred Eighty Four Thousand One Hundred Seventy Dollars (\$484,170.00) and payable to Seller at closing.
3. Merchantable fee simple title of record as defined by the Missouri Bar Title Standard shall be conveyed by general warranty deed for the described real estate, free and clear of all encumbrances, except as hereinafter provided.
4. Seller shall, within thirty (30) days from the date of this contract, deliver to City a commitment from a title insurance company authorized to issue titles in Missouri agreeing to issue title insurance to the above described real estate in the name of the City in the amount of the purchase price and City shall have twenty (20) days from receipt of the title commitment to examine title and make any objections to the title exceptions in writing to seller. If City makes no written objections within that time period, City shall waive any right to make objection. If seller is unable to do so by closing, then City may terminate this contract and this contract shall be void. Within this period of time, City, at its expense, shall arrange for additional environmental tests and studies to establish to City's satisfaction that there is no environmental contamination of the soil or groundwater on the property which would impose any liability under any federal or state law for remediation of the condition by the City if City acquires the property. If such tests reveal or recognize

environmental condition or contamination on the property that requires remediation under federal or state law, City shall so notify Seller. Within ten (10) days of receipt of such notice, Seller must notify City whether or not Seller will remediate the contamination. If Seller fails to notify City within the ten (10) days, Seller shall conclusively be presumed to have decided not to remediate the contamination. If Seller decides not to remediate the contamination, City shall have the option of either purchasing the property or declaring this agreement void.

6. Seller agrees that City shall have the right to enter upon the above described real property prior to the closing dates set out in this agreement for the purpose of performing the environmental assessment described above, at City's expense.
7. The transaction for the property shall be closed at Boone Central Title Company, 601 East Broadway, Columbia, Missouri on or before February 29, 2016, or at such other time when the parties may agree at which time title to the property shall be delivered to City and all monies and papers shall be delivered and transferred. City and Seller shall each pay one-half of the closing fees charged by the title company and City shall pay to record the warranty deed.
8. Real estate taxes for the year 2016 for the property shall be prorated and Seller shall remit the Seller's portion of said taxes to City at closing.
9. This contract shall be contingent upon the final approval of the City Council of Columbia, Missouri.
