

A food truck parked in this location will potentially cause a vehicle turning right onto 7th St to not be able to see a pedestrian crossing 7th St from the NE corner to the NW corner.

A food truck parked in this location will potentially cause a pedestrian to not be seen by a eastbound vehicle if the pedestrian is standing at the push button that is attempting to cross Walnut from the NW corner to the SW corner.

This is a handicapped parking spot.

Parking staff recommends the use of spaces W715 & W713 for Mobile Food trucks, as the spaces to the west (W711-W703) of those two spaces are on a large slope.
