Re: Updating the section the Parking Advisory Commission regarding the terms of the members appointed by the City Council

Executive Summary

An ordinance has been prepared to update Section 2-365.3(c) regarding terms of the members appointed by the City Council, which is now five.

Discussion

The Parking Advisory Commission (PAC) was established on December 18, 2017 as a nine-member commission to study, plan, and advise the City Council on parking resources. Membership was reduced to seven members on December 19, 2022 with one member appointed by the University of Missouri administration, one member appointed by the Downtown Community Improvement District, one member appointed by the Downtown Columbia Leadership Council (DLC), and only four members appointed by the City Council. Due to the disbandment of the DLC, an ordinance passed at the January 6, 2025 council meeting reassigned the appointment of a member by the DLC to the City Council. This resulted in the City Council now appointing five members of the PAC instead of four. Section 2-365.3(c), which discusses the terms of members, should have been changed at that time as well, but had been overlooked. This proposed ordinance would correct Section 2-365.3(c) so that it says "The five (5) members appointed by the City Council shall be for a term of ..." instead of the current text of "The four (4) members appointed by the City Council shall be for a term of..." and make it consistent with Section 2-365.3(a)(3) which was changed to say "Five (5) members shall be appointed by the City Council."
