Ordinance No. \_\_\_\_\_

Council Bill No. B 326-17

**AN ORDINANCE**

approving the Preliminary Plat of Perche Ridge, a major subdivision; granting a design adjustment relating to loop street length; and fixing the time when this ordinance shall become effective.

BE IT ORDAINED BY THE COUNCIL OF THE CITY OF COLUMBIA, MISSOURI, AS FOLLOWS:

SECTION 1. The City Council hereby approves the Preliminary Plat of Perche Ridge, as certified and signed by the surveyor on September 29, 2017, a major subdivision located on the north side of Gillespie Bridge Road and approximately 3,500 feet west of Louisville Drive, containing approximately 17 acres, and hereby confers upon the subdivider the following rights for a period of seven years from and after the date of this approval:

- A. The terms and conditions under which the Preliminary Plat was given will not be changed.
- B. The subdivider may submit on or before the expiration date the whole or any part of the subdivision for approval.
- C. The time for filing the final plat may be extended by the Council for a specified period on such terms and conditions as the Council may approve.

SECTION 2. Prior to approval of the Final Plat of this Subdivision, the subdivider shall have completed the improvements required by the Subdivision Regulations, or in lieu of completion of the work and installations referred to, present security to the City Council with surety and conditions satisfactory and acceptable to the City Council, providing for and securing the actual construction and installation of the improvements and utilities within a period of seven years; or put the City Council in an assured position to do the work, obligating the developer to install the improvements indicated on the plat, provided that no occupancy permit will be issued to any person for occupancy of any structure on any street that is not completed in front of the property involved, or the utilities have not been installed to the satisfaction of the City.

SECTION 3. Subdivider is granted a design adjustment from the requirement of Section 29-5.1(c)(3)(i)(F) to allow Swather Loop to be four hundred twenty-five (425) feet in length rather than the required maximum of three hundred (300) feet in length.

SECTION 4. This ordinance shall be in full force and effect from and after its passage.

PASSED this \_\_\_\_\_ day of \_\_\_\_\_, 2017.
