### Comments:

I would like to see a total of 3 speed Tables installed.  
I like the two proposed on 9/5/18. I feel another  
in front of pool near intersection of monsoon would  
greatly improve safety at pool/Playground.  
Also the intersection at Blue Ridge and snow Leopard  
is very difficult for children to cross due to increased

There is more space on the back of this form. traffic/speeds associated w/ new neighborhood.  
\*\* The personal information requested below is not required and could be made available to the public. please consider 4 way-stop
