Re: Amending Chapter 14 of the City Code relating to Parking Fees for Unmetered Off-Street Facilities

Executive Summary

Staff has prepared for Council consideration an ordinance amending Section 14-393 of the City Code to change the effective date of parking permit fee increases for unmetered off-street municipal parking structures and municipal surface parking lots from October 1, 2017 to January 1, 2018.

Discussion

The City's FY2018 annual budget document was adopted on September 18, 2017 which included the passage of Council Bill 224-17 to increase parking permit fees for unmetered off-street municipal parking structures and municipal surface parking lots to become effective October 1, 2017. Because the parking permit program is based on calendar year rather than fiscal year, staff is requesting to amend Section 14-393 of the City Code to correct the effective date for parking permit fee increases in unmetered off-street municipal parking structures and municipal surface parking lots to January 1, 2018.
