Ordinance No. 023699

Council Bill No. B 273-18

**AN ORDINANCE**

determining it is in the public interest to construct Phase 2 improvements to the digester complex at the Columbia Regional Wastewater Treatment Plant; approving and adopting utilization of the construction manager-at-risk method for project management, design and construction; determining that the work shall be done by contract utilizing the construction manager-at-risk method; authorizing the Purchasing Agent to request qualifications for a construction manager-at-risk for the improvement project; providing for payment for the improvement; authorizing the City Manager to obtain, execute and record all documents necessary for the improvement; providing for compliance with the prevailing wage law and state-mandated construction safety training; and fixing the time when this ordinance shall become effective.

WHEREAS, an interested parties meeting for the proposed construction of Phase 2 improvements to the digester complex at the Columbia Regional Wastewater Treatment Plant was held by the City Utilities Department – Sewer/Stormwater Division on September 27, 2018; and

WHEREAS, the City Council adopted a resolution declaring the necessity for the proposed construction of the improvement project; and

WHEREAS, the notice of a public hearing on this project was published in a daily newspaper of general circulation in the city; and

WHEREAS, the City Council has held a public hearing on construction of the proposed improvement.

NOW, THEREFORE, BE IT ORDAINED BY THE COUNCIL OF THE CITY OF COLUMBIA, MISSOURI, AS FOLLOWS:

SECTION 1. The Council finds that the construction of Phase 2 improvements to the digester complex at the Columbia Regional Wastewater Treatment Plant in the City of Columbia, Missouri, is necessary for the welfare and improvement of the city and that it is in the public interest that such improvements be made.

SECTION 2. Utilization of the construction manager-at-risk method as authorized by Section 67.5050 RSMo. is hereby approved. The selection criteria shall, at a minimum, include the construction manager's experience, past performance, safety record, proposed personnel and methodology together with such other factors that demonstrate the capability of the construction manager-at-risk as deemed appropriate by the Purchasing Agent.

SECTION 3. The construction of the improvement shall be done by contract in accordance with the laws of the State of Missouri, and the Charter and Ordinances of the City of Columbia, Missouri.

SECTION 4. The Purchasing Agent is hereby authorized to issue a Request for Qualifications for a construction manager-at-risk pursuant to Section 67.5050 RSMo. and execute a contract with the construction manager-at-risk who best meets the selection criteria.

SECTION 5. Payment for this improvement shall be made from sewer system revenue bonds, sewer utility enterprise revenue funds and such other funds as may be lawfully appropriated.

SECTION 6. The City Manager is authorized to obtain, execute and have recorded all licenses, easements, deeds and any other conveyances or instruments necessary for the City to complete this improvement.

SECTION 7. Pursuant to Section 290.250 RSMo., the contract for the improvement project shall provide that not less than the prevailing hourly rate of wages, as found by the Department of Labor and Industrial Relations of Missouri, shall be paid to all workers performing work under any contract in excess of \$75,000.00. The contractor's bond shall guarantee the faithful performance of the prevailing hourly wage clause in the contract.

SECTION 8. Pursuant to Section 292.675 RSMo., the bid specifications and contract for the improvement shall provide that the contractor and any subcontractor shall provide a ten-hour Occupational Safety and Health Administration construction safety program (or a similar program approved by the Missouri Department of Labor and Industrial Relations) for all employees working on-site. All employees working on the site of the improvement are required to complete the safety program within 60 days of beginning work on the improvement project.

SECTION 9. This ordinance shall be in full force and effect from and after its passage.

PASSED this 5th day of November, 2018.
