Ordinance No. 022734

Council Bill No. B 23-16

AN ORDINANCE

determining it is in the public interest to construct the Douglass Park – Phase II improvement project to include construction of shelters, replacement of playground equipment, construction of a skate spot, ADA walkway improvements, the installation of new signage and park lighting improvements; approving and adopting plans and specifications; determining that a portion of the work shall be done by contract; calling for bids through the Purchasing Division; determining that a portion of the project shall be done by city employees; providing for payment for the improvement; authorizing the City Manager to obtain, execute and record all documents necessary for the improvement; providing for compliance with the prevailing wage law and state-mandated construction safety training; and fixing the time when this ordinance shall become effective.

WHEREAS, the City Council adopted a resolution declaring the necessity of constructing the Douglass Park – Phase II improvement project to include construction of shelters, replacement of playground equipment, construction of a skate spot, ADA walkway improvements, the installation of new signage and park lighting improvements; and

WHEREAS, the notice of a public hearing on this project was published in a daily newspaper of general circulation in the city; and

WHEREAS, the City Council has held a public hearing on construction of the improvement.

NOW, THEREFORE, BE IT ORDAINED BY THE COUNCIL OF THE CITY OF COLUMBIA, MISSOURI, AS FOLLOWS:

SECTION 1. The Council finds that the construction of the Douglass Park – Phase II improvement project in the City of Columbia, Missouri, is necessary for the welfare and improvement of the city and that it is in the public interest that such improvements be made. Specific improvements include the following:

- Construction of a 48-foot by 28-foot shelter to replace an existing shelter.

- Installation of new ADA compliant playground equipment to replace existing equipment.
- Construction of a 15-foot by 15-foot prefab shelter located adjacent to the playground.
- Development and construction of a 4,500 square foot skate spot to be located at the southeast corner of the park adjacent to the Fifth Street parking area.
- Construction of ADA walkway improvements to improve connectivity between park amenities; installation of new bike racks; construction of new horseshoe pits; installation of new signage; and lighting improvements.

SECTION 2. The plans and specifications for this improvement, as prepared by the Director of Parks and Recreation, are hereby approved.

SECTION 3. A portion of the construction of the improvement shall be done by contract in accordance with the plans and specifications, the laws of the State of Missouri, and the Charter and Ordinances of the City of Columbia, Missouri.

SECTION 4. The Purchasing Agent is hereby authorized to call for bids and execute a contract for installation of the playground equipment and construction of the skate spot and walkways. As deemed advisable by the City Manager, city employees shall be used to construct all other improvements, including construction of the shelters and horseshoe pits, the installation of park signage, bike racks, and lighting improvements.

SECTION 5. Payment for this improvement shall be made from parks sales tax funds and such other funds as may be lawfully appropriated.

SECTION 6. The City Manager is authorized to obtain, execute and have recorded all licenses, easements, deeds and any other conveyances or instruments necessary for the City to complete this improvement.

SECTION 7. The contract for the improvement shall provide that not less than the prevailing hourly rate of wages, as found by the Department of Labor and Industrial Relations of Missouri, shall be paid to all workers performing work under the contract. The contractor's bond shall guarantee the faithful performance of the prevailing hourly wage clause in the contract.

SECTION 8. The bid specifications and contract for the improvement shall provide that the contractor and any subcontractor shall provide a ten-hour Occupational Safety and Health Administration construction safety program (or a similar program approved by the Missouri Department of Labor and Industrial Relations) for all employees working on-site. All employees working on the site of the improvement are required to complete the safety program within 60 days of beginning work on the improvement project.

SECTION 9. This ordinance shall be in full force and effect from and after its passage.

PASSED this 15th day of February, 2016.
