Re: Renewal of Sustainable Farms Lease to Operate a Farmers Market at Clary-Shy Community Park

Executive Summary

Sustainable Farms and Communities (SF&C) has operated a Farmers Market at Clary-Shy Community Park, located at 1701 West Ash Street, for many years. The agreement for the 2016 season expired on November 15, 2016. There are no changes proposed the 2017 lease agreement. Parks and Recreation is requesting City Council approval of the resolution authorizing the annual lease agreement with Sustainable Farms and Communities, Inc. for the 2017 season.

Discussion

The City has had a long-standing partnership with Sustainable Farms and Communities (SF&C) that allows the organization to lease a specified area of Shy-Clary Park to operate a Farmers Market to serve the citizens of Columbia. The proposed lease the 2017 season is identical to the 2016 lease agreement with respect to the terms and conditions, with the lease date range updated for the 2017 season.

Key terms include:

1. The leased area is limited to approximately 50,000 square feet (1.15 acres) which is the basic size of the hard surface area used by the Market.
2. The lease amount remains the same that it has been for the past several years - \$2,100 per year.
3. Sustainable Farms has the right to use the property for a Farmer's Market from March 15 through November 15, 2017, on the days of the week and during such hours as requested by SF&C and approved by the City Manager.
4. The lease area must be used solely for the operation of a Farmers Market.
5. The City will continue to maintain the area used for the Farmers Market in a dust-free condition and will mow the grass areas adjacent to the Farmers Market.
6. Special promotions such as concerts that may attract larger than normal crowds or those held on dates outside of the approved schedule may be approved through the Park Special Use Permit process.
