Public Comment Form

Rice Road Traffic Calming

We would appreciate hearing your thoughts about this project. You may make comments on this form and leave it with City staff at today's meeting; or take it home to fill out. Please write legibly, include your complete mailing address, and sign your comment form.

Comment forms can be mailed to: **Lee White P.E.
Public Works Department
City of Columbia
PO Box 6015
Columbia, MO 65205**

Comments may also be faxed to.... **(573) 449-9641**
or forwarded via E-mail to... **pubw@GoColumbiaMO.com**
(please include "Rice Road Traffic Calming" in the subject line and provide your name and complete mailing address)

- ^{we} I support traffic calming being installed on Rice Road
- Traffic Calming wouldn't bother me if it were implemented
- I do NOT support traffic calming being installed on Rice Road

We are accepting comments until December 31st, 2015. Thank you for your input!

Comments: Rice Rd from Riney Ln to Ballinger is dangerous & ugly. Its a heavily traveled route st. from all trapped going to cut thru from County Ln to Ballinger, instead of using Round about @ intersection at Clark Ln & Ballinger. Needs to be curb & gutter, w/ sidewalks. People jog, push strollers, bike, wheel matinee wheel chairs on the street. Someone could be hit or killed. One curb & gutter, try parking and then speed hump or table if necessary.

There is more space on the back of this form.

Comments:

If Kelsey is included as the driveway, will slow on Rice but will speed on Kelsey
 I prefer the Table Speed Tables
 on both Rice + Kelsey

- I support traffic calming being installed on Rice Road ONLY if Kekey Dr. is also addressed as if you slow Rice Rd, speed will only increase on Kekey
- Traffic Calming wouldn't bother me if it were implemented
- I do NOT support traffic calming being installed on Rice Road

We are accepting comments until December 31st, 2015. Thank you for your input!

Comments:

It's OK with me if Traffic Calming was implemented, but I personally don't think whatever you'd do will slow down the people who consistently drive at a high rate of speed. The people who break the law on a regular basis just don't care that they are →

a danger to others. I think police monitoring and giving out tickets is the only solution and that isn't a 100% solution either unless it's a 24/7 operation which is impossible.

If everyone had Jesus in their heart and lives they would willingly want to obey the laws. But since most people don't, I don't see any true solution.

Lee: THANK YOU for your time and interest in THIS SITUATION. I DON'T mean TO BE SO NEGATIVE, BUT THAT'S HOW I SEE IT.

I agree Rice Rd something needs to be done on Rice Rd. Why are cars allowed to park on both sides of the road in a area that was designed as bike lanes? Adding Islands, speed buns ect. would mean drivers would not only need to watch, between cars, for kids, animals, (which my be trash) on both sides of the street plus watching for Island. Why is parking allowed on the streets? Why not enforce current lawd? Why not expand Rice Rd to Lake of the Rd

Subject: [PubW]: Rice Rd. Kelsey Dr.

To: pubw@gocolumbiamo.com, Karl Skala <ward3@gocolumbiamo.com>

Lee White, PWD for the city; Karl Skala

Thank you for recognizing two major traffic problems in northeast Columbia.

In my opinion, when you "dam up" Rice Rd. by slowing the traffic that flows through that road so they can get to Kelsey Dr. quicker, and you then widen up the traffic flow for Kelsey Dr....you very simply make the problems greater.

Slowing traffic on Rice Rd may well create more pent up energy to speed along but they can't if they see the traffic slow down space, then they save that energy until they get to Kelsey Dr. Listen for the speeding engine! Drivers will turn off Shamrock with pent up energy to speed, and "put the pedal to the metal."

If I was truly interest in slowing maximum traffic and retraining drivers, I would slow traffic on Kelsey Dr. first.....and work backward to Rice Rd. Thus you would already be slowing drivers, and they would not have to contain their speeding anxiety while on Rice Rd.

"Reverse your plan" would be my suggestion!

with thanks.....**Joyce**
