<p>20 Feb 2023</p> <p>shbaumer</p>	<p>Construction bias favors Break Time Over Leatherwood Hills. This is unjust development favors a massive corporation.</p> <p>The design and location of the project reduces access to Leatherwood Hill. The traffic circle greatly favors directing drivers towards the Break Time instead. This plan for development unjustly favors direct access to the multi-million dollar corporation over the small, locally-owned business.</p>

<p>09 Mar 2023</p> <p>Sarahj</p>	<p>Outside City Limits?</p> <p>From what I can find from ward maps, this looks to be outside of the 6th ward. Why are we spending time and energy coming up for solutions to problems that don't actually lie inside city limits? According to property records, the city of Columbia ends with the properties on Daycrew Loop. Why are we doing road work outside of our city? Is there a lack of projects inside city limits that we can work on?</p>
