Council Meeting Date: August 20, 2018

Re: Authorize a Professional Engineering Services Agreement with Burns & McDonnell Engineering, Inc. for construction phase services related to Isolated Repairs of Runway 2-20.

Executive Summary

Staff is requesting Council to authorize the City Manager to execute a Professional Engineering Services Agreement with Burns & McDonnell Engineering, Inc. for construction phase services related to the isolated repairs of Runway 2-20.

Discussion

The Professional Engineering Services Agreement with Burns & McDonnell Engineering, Inc. will provide construction phase services related to the isolated repairs of Runway 2-20 for a not to exceed amount of \$491,093.00.

The construction services agreement includes observing and reporting on the quality of construction being performed by the contractor and provide the required reporting documents to the City of Columbia, FAA and MoDOT. Additional services being provided include making recommendations for contractor pay requests, interpretation of contract documents, and maintaining project records.

A public hearing for this project was held on June 4, 2018, and a bid call was authorized through the Purchasing Division on June 18, 2018.

Fiscal Impact

Short-Term Impact: The Professional Engineering Services Agreement is for a not to exceed amount of \$491,093.00. The FAA will reimburse the City 90% or \$441,983.70. The City will fund 5% from Transportation Sales Tax or \$24,554.65 and 5% from MoDOT or \$24,554.65.

Long-Term Impact: None
