

Dear Tim Teddy and Staff,

Mataora Subdivision Plat 4 is a future extension of an existing cul-de-sac with an existing street name of Nick Court. Per the request of Boone County Joint Communications and City of Columbia GIS we are requesting a name change from Nick Court to Nick Street. The future extension will connect Nick Court to Ballenger Lane. This extension will produce seven (7) R-2 lots. We have reached out to the neighbors to discuss the future project and the proposed name change of the street. Of the nine (9) R-2 residences on Fox Court we have received three (3) property owners signatures in support of the name change, two (2) property owners who requested not to sign in support and the remaining property owners we were unable to reach or contact to get a response. I ask for your support for this name change request. I have attached a copy of the preliminary plat for reference of proposed street extension.

I, Ahmad Zafar, am the owner of the property to the east of Nick Court, future lots 1, 2, 3, 4, 5, 6, and 7 of Mataora Subdivision Plat 4 in Columbia, Boone County, Missouri, Support renaming Nick Court to Nick Street.

Ahmad Zafar
