RE: Request for Rezoning Liberty Bridges Building at 2614 Forum Blvd. in the Colonies.

Dear Mr. Zenner,

I am writing to you to request your guidance and help for the modification to Ordinance #12038 that would add "Personal Services, General", "Physical Fitness Center" as use on our property located in the Colonies at 2614 Forum Boulevard. The lower portion of our building have been empty for almost 10 years because of the zoning restriction enacted in 1988. We currently have a potential client who would like to rent "approximately. 500 sq. ft. office/spa".

Best Regards,
