Subject: Columbia - FY 2013 5339 Funding

Janette,

Our intent is to apply the \$261,205 Total Project amount (\$208,964 Federal) towards the purchase of a 30 foot heavy duty, battery electric bus. Preliminary cost estimates would put the cost of this vehicle at approximately \$450,000. Remaining funds for this vehicle purchase would come from the 2014-16 5339 Apportionments. This bus would replace bus number 1897, which is a 2001 30 foot New Flyer with approximately 436,989 lifetime miles.

Local match is already available for this purchase.
