Telephone: 573-449-4585

Email Address: jstack@formissouri.org

Topic (please be specific): Ending involuntary homelessness is a neglected human rights'/constitutional imperative for the Columbia City Council/BoCO Commission's, trumping the routine accommodating now done by local officials for the uber-wealthy and their pursuit of personal profits.. Meeting human needs of area residents is a fundamental purpose of government..secondarily, at best, is devoting energies to invigorating commerce for affluent residents and absentee land "owners."

I understand that the information submitted in this form will be published with a City Council agenda and will be made available to the public.: yes
