

Energy and Environment Commission City of Columbia

Aug. 29, 2018

Members of the City Council,

Last night (Aug. 28), the following motion passed unanimously:

“We request that City Council ask the Legal Department to draft an ordinance with changes to the Waste Haulers ordinance. The Environment and Energy Commission supports the proposed changes.”

This voted upon after hearing from Steve Callis and reviewing the proposed changes. This motion pertains to Sections 13-186 through 13-211, Columbia Code of Ordinances. If you do not have a copy of Steve Callis' proposed changes, please notify me.

I ask that you act accordingly.

Sincerely,

Ken Midkiff
Chair, Environment and Energy Commission
