Topic (please be specific): So I get sexual harrassed, my rite as a tenant violated, made fun of in court because I don't read & comprehend. made along with my 2kids live in a house thats not up to code. But have no wear else to go.. As of Jan 29 2018 a judgment was made on case #17BA-CVO4706 in favor of Paul prevo. I feel he has been slapped on the wrist even after all the evidence I had but was dumb founded not being represented or not able to represent myself with learning disabilities. And because my neighbor friend helped me and he saw her in court with me doing her best to keep me clear and straight minded she's also being evicted as of February 5th a notice was put on her door. At the time Mr prevo was placing the eviction notice he was violating the exparte in which he was served. I've called law enforcement but again im put on the back burner or just plain forgotten about. Mr prevo gets to continue to sexually harras woman after woman and my kids and me go to the

streets.
