GENERAL NOTES:

- All construction to be in accordance with "City of Columbia Street, Storm Drain and Sanitary Sewer Specifications and Standards" (Current edition).
- All underground utilities are shown in their approximate locations. Contractor shall verify the location of all utilities prior to construction.
- All excavation shall be in accordance with Sections 19.010-19.050, Revised Statutes of the State of Missouri. Such compliance shall not, however, excuse any person making any excavation from doing so in a careful and prudent manner, nor shall it excuse such person from liability for any damage or injury to underground utilities resulting from the excavation.
