Re: Agreements with the Missouri Highways and Transportation Commission granting a roadway easement and granting a utility easement for the installation and maintenance of fiber optic cable.

Executive Summary

Staff has prepared for Council consideration an ordinance authorizing the City Manager to execute agreements with the Missouri Highways and Transportation Commission granting a roadway easement and granting a utility easement for the installation and maintenance of fiber optic cable. No monetary exchange will occur with the granting of these agreements.

Discussion

The Missouri Highways and Transportation Commission has requested a roadway easement and an easement for fiber optic cable along Route B as shown in Exhibit A. The purpose of these easements is to address any discrepancies that may have arisen when Route B was widened and to facilitate signal control along Route B. This portion of Route B is partially built on the COLT (formerly Wabash) Railroad right of way. No monetary exchange will occur with the granting of these agreements.
