IV. PUBLIC HEARINGS

Case # 1953

A request by LogBoat Brewery for a variance to permit construction within the required 10-foot rear yard setback of IG zoned property which is not permitted per Section 29-2.2, Table 29-2.11 and Section 29-4.1, Table 4.1-3 of the Unified Development Code.

MR. CARROZ: Are there any other comments for that, Mr. Zenner?

MR. ZENNER: No. The request has been submitted in order to allow for an additional variance to be submitted by November 21st, which was unfortunately overlooked in the original denial letter. It is a landscaping and buffering variance that would have otherwise been required due to the expanded Logboat Brewery. Staff is supportive of the request to table in order to allow for the two variances to be heard concurrently at your December 11th -- or 12th, I apologize -- 12th BOA Meeting.

MR. CARROZ: Very good. All right. So can I get a motion to table Case No. 1953?

MS JOHN: So moved.

MS. HAMMEN: So -- second.

MR. CARROZ: Second. All those in favor, say aye. All those in favor, say -- or all those opposed say nay. Hearing none.

(Unanimous vote for approval.)

MR. CARROZ: We have tabled Case No. 1953 to December 12th. Very good. All right.
