Dear Mr. Nichols,

I am writing to request a waiver of work hours for the AOD-Mo. Holdings, LLC. processing plant that is being constructed on Waco Rd. Through the construction process we have experienced some delays and are in need to make up time. We are asking for a waiver of work hours through the remainder of the project. Our request would be to extend Monday to Friday hours to daylight hours, Saturday work by four (4) hours, and include Sunday work for twelve (12) hours.

Our building has nearly 50% of the walls in place at this point and work is continuing inside these areas. We started requesting extended hours on February 21<sup>st</sup> and to date have not heard of any comments from the community. We feel that as the building is closed in more the opportunities for comments continue to decrease.

Thank you for your consideration,
