FEDERAL TAX CERTIFICATE

THIS FEDERAL TAX CERTIFICATE (the “Tax Certificate”), is executed as of April 19, 2017, by the **CITY OF COLUMBIA, MISSOURI**, a political subdivision organized and existing under the laws of the State of Missouri (the “Issuer”).

RECITALS

1. This Tax Certificate is being executed and delivered in connection with the issuance by the Issuer of \$[Principal Amount] principal amount of Special Obligation Improvement Bonds (Solid Waste System Project), Series 2017 (the “Bonds”), under an Ordinance passed by the City on April 3, 2017 (the “Ordinance”), for the purposes described in this Tax Certificate and in the Ordinance.

2. The Internal Revenue Code of 1986, as amended (the “Code”), and the applicable Regulations and rulings issued by the U.S. Treasury Department (the “Regulations”), impose certain limitations on the uses and investment of the Bond proceeds and of certain other money relating to the Bonds and set forth the conditions under which the interest on the Bonds will be excluded from gross income for federal income tax purposes.

3. The Issuer is executing this Tax Certificate in order to set forth certain facts, covenants, representations, and expectations relating to the use of Bond proceeds and the property financed or refinanced with those proceeds and the investment of the Bond proceeds and of certain other related money, in order to establish and maintain the exclusion of the interest on the Bonds from gross income for federal income tax purposes, and to provide guidance for complying with the arbitrage rebate provisions of Code § 148(f).

4. The Issuer adopted a Tax-Advantaged Financing Compliance Policy and Procedure on May 19, 2014, as it may from time to time be amended (the “Tax Compliance Procedure”) for the purpose of setting out general procedures for the Issuer to continuously monitor and comply with the federal income tax requirements set out in the Code and the Regulations.

5. This Tax Certificate is entered into as required by the Tax Compliance Procedure to set out specific tax compliance procedures applicable to the Bonds.

NOW, THEREFORE, in consideration of the foregoing and the mutual representations, covenants and agreements set forth in this Tax Certificate, the Issuer represents, covenants and agrees as follows:

ARTICLE I

DEFINITIONS

Section 1.1. Definitions of Words and Terms. Except as otherwise provided in this Tax Certificate or unless the context otherwise requires, capitalized words and terms used in this Tax Certificate have the same meanings as set forth in the Ordinance, and certain other words and phrases have the meanings assigned in Code §§ 103, 141-150 and the Regulations. The following words and terms used in this Tax Certificate have the following meanings:

“Adjusted Gross Proceeds” means the Gross Proceeds of the Bonds reduced by amounts (a) in a Bona Fide Debt Service Fund or a reasonably required reserve or replacement fund, (b) that as of the Issue Date are not expected to be Gross Proceeds, but which arise after the end of the applicable spending period, and (c) representing grant repayments or sale or Investment proceeds of any purpose Investment.

“Available Construction Proceeds” means the sale proceeds of the Bonds, increased by (a) Investment earnings on the sale proceeds, (b) earnings on amounts in a reasonably required reserve or replacement fund allocable to the Bonds but not funded from the Bonds, and (c) earnings on such earnings, reduced by sale proceeds (1) in any reasonably required reserve fund or (2) used to pay issuance costs of the Bonds. But Available Construction Proceeds do not include Investment earnings on amounts in a reasonably required reserve or replacement fund after the earlier of (i) the second anniversary of the Issue Date or (ii) the date the Financed Facility is substantially completed.

“Bona Fide Debt Service Fund” means a fund, which may include Bond proceeds, that (a) is used primarily to achieve a proper matching of revenues with principal and interest payments within each Bond Year; and (b) is depleted at least once each Bond Year, except for a reasonable carryover amount not to exceed the greater of (1) the earnings on the fund for the immediately preceding Bond Year, or (2) one-twelfth of the principal and interest payments on the Bonds for the immediately preceding Bond Year.

“Bond” or **“Bonds”** means any Bond or Bonds described in the recitals, authenticated and delivered under the Ordinance.

“Bond Compliance Officer” means the Issuer’s Director of Finance or other person named in the Tax Compliance Procedure.

“Bond Counsel” means Gilmore & Bell, P.C., or other firm of nationally recognized bond counsel acceptable to the Issuer.

“Bond Year” means each 1-year period (or shorter period for the first Bond Year) ending March 1 or another 1-year period selected by the Issuer.

“Code” means the Internal Revenue Code of 1986, as amended.

“Computation Date” means each date on which arbitrage rebate for the Bonds is computed. The Issuer may treat any date as a Computation Date, subject to the following limits:

- (a) the first rebate installment payment must be made for a Computation Date not later than 5 years after the Issue Date;
- (b) each subsequent rebate installment payment must be made for a Computation Date not later than 5 years after the previous Computation Date for which an installment payment was made; and
- (c) the date the last Bond is discharged is the final Computation Date.

The Issuer selects March 1, 2022, as the first Computation Date but reserves the right to select a different date consistent with the Regulations.

“Final Written Allocation” means the Final Written Allocation of expenditures prepared by the Bond Compliance Officer in accordance with the Tax Compliance Procedure and Section 4.2(b) of this Tax Certificate.

“Financed Facility” means the portion of the Project being financed or refinanced with the proceeds of the Bonds as described on **Exhibit D**.

“Gross Proceeds” means (a) sale proceeds (any amounts actually or constructively received by the Issuer from the sale of the Bonds, including amounts used to pay underwriting discount or fees, but excluding pre-issuance accrued interest), (b) Investment proceeds (any amounts received from investing sale proceeds), (c) any amounts held in a sinking fund for the Bonds, (d) any amounts held in a pledged fund or reserve fund for the Bonds, and (e) any other replacement proceeds. Specifically, Gross Proceeds includes (but is not limited to) amounts held in the following funds and accounts:

- (2) Debt Service Fund.
- (3) Rebate Fund (to the extent funded with sale proceeds or Investment proceeds of the Bonds).

“Guaranteed Investment Contract” is any Investment with specifically negotiated withdrawal or reinvestment provisions and a specifically negotiated interest rate, including any agreement to supply Investments on 2 or more future dates (*e.g.*, a forward supply contract).

“Investment” means any security, obligation, annuity contract or other investment-type property that is purchased directly with, or otherwise allocated to, Gross Proceeds. This term does not include a tax-exempt bond, except for “specified private activity bonds” as defined in Code § 57(a)(5)(C), but it does include the investment element of most interest rate caps.

“IRS” means the United States Internal Revenue Service.

“Issue Date” means April 19, 2017.

“Issuer” means the City of Columbia, Missouri, and its successors and assigns, or any body, agency or instrumentality of the State of Missouri succeeding to or charged with the powers, duties and functions of the Issuer.

“Management Agreement” means a legal agreement defined in Regulations § 1.141-3(b) as a management, service, or incentive payment contract with an entity that provides services involving all or a portion of any function of the Financed Facility, such as a contract to manage the entire Financed Facility or a portion of the Financed Facility. Contracts for services that are solely incidental to the primary governmental function of the Financed Facility (for example, contracts for janitorial, office equipment repair, billing or similar services); however, are not treated as Management Agreements.

“Measurement Period” means, with respect to each item of property financed as part of the Financed Facility, the period beginning on the later of (a) the Issue Date or (b) the date the property is placed in service and ending on the earlier of (1) the final maturity date of the Bonds or (2) the end of the expected economic useful life of the property.

“Minor Portion” means the lesser of \$100,000 or 5% of the sale proceeds of the Bonds.

“Net Proceeds” means when used in reference to the Bonds, the sale proceeds (excluding pre-issuance accrued interest), less an allocable share of any proceeds deposited in a reasonably required reserve or replacement fund, plus an allocable share of all Investment earnings on such sale proceeds.

“Non-Qualified Use” means use of Bond proceeds or the Financed Facility in a trade or business carried on by any Non-Qualified User. The rules set out in Regulations § 1.141-3 determine whether Bond proceeds or the Financed Facility are “used” in a trade or business. Generally, ownership, a lease, or any other use that grants a Non-Qualified User a special legal right or entitlement with respect to the Financed Facility, will constitute use under Regulations § 1.141-3.

“Non-Qualified User” means any person or entity other than a Qualified User.

“Opinion of Bond Counsel” means the written opinion of Bond Counsel to the effect that the proposed action or the failure to act will not adversely affect the exclusion of the interest on the Bonds from gross income for federal income tax purposes.

“Project” means all of the property being acquired, developed, constructed, renovated, and equipped by the Issuer using Bond proceeds and other money contributed by the Issuer, as described on **Exhibit D**.

“Qualified Use Agreement” means any of the following:

(a) A lease or other short-term use by members of the general public who occupy the Financed Facility on a short-term basis as in the ordinary course of the Issuer’s governmental purposes.

(b) Agreements with Qualified Users or Non-Qualified Users to use all or a portion of the Financed Facility for a period up to 200 days in length pursuant to an arrangement whereby (1) the use of the Financed Facility under the same or similar arrangements is predominantly by natural persons who are not engaged in a trade or business and (2) the compensation for the use is determined based on generally applicable, fair market value rates that are in effect at the time the agreement is entered into or renewed. Any Qualified User or Non-Qualified User using all or any portion of the Financed Facility under this type of arrangement may have a right of first refusal to renew the agreement at rates generally in effect at the time of the renewal.

(c) Agreements with Qualified Users or Non-Qualified Users to use all or a portion of the Financed Facility for a period up to 100 days in length pursuant to arrangements whereby (1) the use of the property by the person would be general public use but for the fact that generally applicable and uniformly applied rates are not reasonably available to natural persons not engaged in a trade or business, (2) the compensation for the use under the arrangement is determined based on applicable, fair market value rates that are in effect at the time the agreement is entered into or renewed, and (3) the Financed Facility was not constructed for a principal

purpose of providing the property for use by that Qualified User or Non-Qualified User. Any Qualified User or Non-Qualified User using all or any portion of the Financed Facility under this type of arrangement may have a right of first refusal to renew the agreement at rates generally in effect at the time of the renewal.

(d) Agreements with Qualified Users or Non-Qualified Users to use all or a portion of the Financed Facility for a period up to 50 days in length pursuant to a negotiated arm's-length arrangement at fair market value so long as the Financed Facility was not constructed for a principal purpose of providing the property for use by that person.

“Qualified User” means a State, territory, possession of the United States, the District of Columbia, or any political subdivision thereof, or any instrumentality of such entity, but it does not include the United States or any agency or instrumentality of the United States.

“Reasonable Retainage” means Gross Proceeds retained by the Issuer for reasonable business purposes, such as to ensure or promote compliance with a construction contract; provided that such amount may not exceed (a) for purposes of the 18-month spending test, 5% of net sale proceeds of the Bonds on the date 18 months after the Issue Date, or (b) for purposes of the 2-year spending test, 5% of the Available Construction Proceeds as of the end of the 2-year spending period.

“Tax Compliance Procedure” means the Issuer's Tax-Exempt Financing Compliance Policy and Procedure, dated May 19, 2014, as it may from time to time be amended.

ARTICLE II

GENERAL REPRESENTATIONS AND COVENANTS

Section 2.1. Representations and Covenants of the Issuer. The Issuer represents and covenants as follows:

(a) *Organization and Authority.* The Issuer (1) is a political subdivision organized and existing under the laws of the State of Missouri, and (2) has lawful power and authority to issue the Bonds for the purposes set forth in the Ordinance, to enter into, execute and deliver the Ordinance, the Bonds, and this Tax Certificate and to carry out its obligations under this Tax Certificate and under such documents, and (3) by all necessary action has been duly authorized to execute and deliver the Ordinance, the Bonds, and this Tax Certificate, acting by and through its duly authorized officials.

(b) *Tax-Exempt Status of Bonds—General Covenant.* The Issuer (to the extent within its power or direction) will not use any money on deposit in any fund or account maintained in connection with the Bonds, whether or not such money was derived from the proceeds of the sale of the Bonds or from any other source, in a manner that would cause the Bonds to be “arbitrage bonds,” within the meaning of Code § 148, and will not (to the extent within its power or direction) otherwise use or permit the use of any Bond proceeds or any other funds of the Issuer, directly or indirectly, in any manner, or take or permit to be taken any other action or actions, that would cause interest on the Bonds to be included in gross income for federal income tax purposes.

(c) *Governmental Obligations—Use of Proceeds.* Throughout the Measurement Period all of the Financed Facility is expected to be owned by the Issuer or another Qualified User. Throughout the Measurement Period no portion of the Financed Facility is expected to be used in a Non-Qualified Use. Throughout the Measurement Period the Issuer will not permit any Non-Qualified Use of the Financed Facility without first obtaining an Opinion of Bond Counsel.

(d) *Governmental Obligations—Private Security or Payment.* As of the Issue Date the Issuer expects that none of the principal and interest on the Bonds will be (under the terms of the Bonds or any underlying arrangement) directly or indirectly:

(1) secured by (i) any interest in property used or to be used for a private business use, or (ii) any interest in payments in respect of such property; or

(2) derived from payments (whether or not such payments are made to the Issuer) in respect of property, or borrowed money, used or to be used for a private business use.

For purposes of the forgoing, taxes of general application, including payments in lieu of taxes, are not treated as private payments or as private security. The Issuer will not permit any private security or payment with respect to the Bonds without first obtaining an Opinion of Bond Counsel.

(e) *No Private Loan.* Not more than 5% of the net proceeds of the Bonds will be loaned directly or indirectly to any Non-Qualified User.

(f) *Management Agreements.* As of the Issue Date the Issuer has no Management Agreements with Non-Qualified Users. During the Measurement Period the Issuer will not enter into or renew any Management Agreement with any Non-Qualified User without first obtaining an Opinion of Bond Counsel.

(g) *Leases.* As of the Issue Date the Issuer has not entered into any leases of any portion of the Financed Facility other than Qualified Use Agreements during the Measurement Period. During the Measurement Period the Issuer will not enter into or renew any lease or similar agreement or arrangement other than a Qualified Use Agreement without first obtaining an Opinion of Bond Counsel.

(h) *Output Contracts.* As of the Issue Date, the Issuer does not have any “Output Contract” (defined below). During the Measurement Period the Issuer will not enter into any “Output Contract” (defined below) without first obtaining an Opinion of Bond Counsel. The term “Output Contract” is defined in Regulations § 1.141-7, and generally includes any contract with a Non-Qualified User that provides for the purchase of the output of Financed Facility. A similar contract with a Qualified User is not an Output Contract.

(i) *Limit on Maturity of Bonds.* A list of the assets included in the Financed Facility and a computation of the “average reasonably expected economic life” is attached to this Tax Certificate as **Exhibit D**. Based on this computation, the “average maturity” of the Bonds as computed by Bond Counsel, does not exceed the average reasonably expected economic life of the Financed Facility.

(j) *Reimbursement of Expenditures; Official Intent.* On _____, 20____, the governing body of the Issuer adopted a resolution declaring the intent of the Issuer to finance the Financed Facility with tax-exempt bonds and to reimburse the Issuer for expenditures made for the Financed Facility prior to the issuance of those bonds. A copy of the resolution is attached to this Tax Certificate as **Exhibit C**. [**\$_____ of the proceeds of the Bonds will be allocated to expenditures paid by the Issuer prior to the Issue Date and should be shown on line ___ of Form 8038-G.**] No portion of the Net Proceeds of the Bonds will be used to reimburse an expenditure paid by the Issuer more than 60 days prior to the date the resolution was adopted. The Issuer will evidence each allocation of the proceeds of the Bonds to an expenditure in writing. No reimbursement allocation will be made for an expenditure made more than 3 years before the date of the reimbursement allocation. In addition no reimbursement allocation will be made more than 18 months following the later of (i) the date of the expenditure or (ii) the date the Financed Facility was placed in service.

(k) *Registered Bonds.* The Ordinance requires that all of the Bonds will be issued and held in registered form within the meaning of Code § 149(a).

(l) *Bonds Not Federally Guaranteed.* The Issuer will not take any action or permit any action to be taken which would cause any Bond to be “federally guaranteed” within the meaning of Code § 149(b).

(m) *IRS Form 8038-G.* Bond Counsel will prepare Form 8038-G (Information Return for Tax-Exempt Governmental Obligations) based on the representations and covenants of the Issuer contained in this Tax Certificate or otherwise provided by the Issuer. Bond Counsel will sign the return as a paid preparer following completion and will then deliver copies to the Issuer for execution and for the Issuer’s records. Issuer agrees to timely execute and return to Bond Counsel the execution copy of Form 8038-G for filing with the IRS. A copy of the “as-filed” copy along with proof of filing will be included as **Exhibit B**. [**The Issuer has allocated \$_____ of the Net Proceeds of the Bonds to reimburse expenditures made prior to the Issue Date and that amount should be reflected on Line 45a of Form 8038-G. A list of expenditures to be reimbursed is included as part of **Exhibit D**.**]

(n) *Hedge Bonds.* At least 85% of the net sale proceeds (the sale proceeds of the Bonds less any sale proceeds invested in a reserve fund) of the Bonds will be used to carry out the governmental

purpose of the Bonds within 3 years after the Issue Date, and not more than 50% of the proceeds of the Bonds will be invested in Investments having a substantially guaranteed Yield for 4 years or more.

(o) *Compliance with Future Tax Requirements.* The Issuer understands that the Code and the Regulations may impose new or different restrictions and requirements on the Issuer in the future. The Issuer will comply with such future restrictions that are necessary to maintain the exclusion of the interest on the Bonds from gross income for federal income tax purposes.

(p) *Single Issue; No Other Issues.* The Bonds constitute a single “issue” under Regulations § 1.150-1(c). No other debt obligations of the Issuer (1) are being sold within 15 days of the sale of the Bonds, (2) are being sold under the same plan of financing as the Bonds, and (3) are expected to be paid from substantially the same source of funds as the Bonds (disregarding guarantees from unrelated parties, such as bond insurance).

(q) *Interest Rate Swap.* As of the Issue Date the Issuer has not entered into an interest rate swap agreement or any other similar arrangement designed to modify its interest rate risk with respect to the Bonds. The Issuer will not enter into any such arrangement in the future without obtaining an Opinion of Bond Counsel.

(r) *Guaranteed Investment Contract.* As of the Issue Date, the Issuer does not expect to enter into a Guaranteed Investment Contract for any Gross Proceeds of the Bonds. The Issuer will be responsible for complying with Section 4.4(d) if it decides to enter into a Guaranteed Investment Contract at a later date.

(s) *Bank Qualified Tax-Exempt Obligation.* The Bonds are not “qualified tax-exempt obligations” under Code § 265(b)(3).

Section 2.2. Survival of Representations and Covenants. All representations, covenants and certifications contained in this Tax Certificate or in any certificate or other instrument delivered by the Issuer under this Tax Certificate, will survive the execution and delivery of such documents and the issuance of the Bonds, as representations of facts existing as of the date of execution and delivery of the instruments containing such representations. The foregoing covenants of this Section will remain in full force and effect notwithstanding the defeasance of the Bonds.

ARTICLE III

ARBITRAGE CERTIFICATIONS AND COVENANTS

Section 3.1. General. The purpose of this Article III is to certify, under Regulations § 1.148-2(b), the Issuer’s expectations as to the sources, uses and investment of Bond proceeds and other money, in order to support the Issuer’s conclusion that the Bonds are not arbitrage bonds. The person executing this Tax Certificate on behalf of the Issuer is an officer of the Issuer responsible for issuing the Bonds.

Section 3.2. Reasonable Expectations. The facts, estimates and expectations set forth in this Article III are based upon and in reliance upon the Issuer’s understanding of the documents and certificates that comprise the Transcript, and the representations, covenants and certifications of the parties contained therein. To the Issuer’s knowledge, the facts and estimates set forth in this Tax Certificate are accurate, and the expectations of the Issuer set forth in this Tax Certificate are reasonable.

The Issuer has no knowledge that would cause it to believe that the representations, warranties and certifications described in this Tax Certificate are unreasonable or inaccurate or may not be relied upon.

Section 3.3. Purposes of the Financing. The Bonds are being issued for the purpose of providing funds to (a) finance the costs of the Financed Facilities and (b) pay certain costs of issuing the Bonds.

Section 3.4. Funds and Accounts. The following funds and accounts have been established under the Ordinance:

- (a) Project Fund;
- (b) Special Obligation Debt Service Fund (the “Debt Service Fund”);
- (c) Rebate Fund.

Section 3.5. Amount and Use of Bond Proceeds and Other Money.

(a) *Amount of Bond Proceeds.* The total proceeds to be received by the Issuer from the sale of the Bonds will be as follows:

Principal Amount	\$[Principal Amount].00
[Net Original Issue Premium/(Discount)]	
Less Underwriting Discount	
Total Proceeds Received by Issuer	\$

(b) *Use of Bond Proceeds.* The Bond proceeds are expected to be allocated to expenditures as follows:

\$_____ will be deposited in the Project Fund, of which \$_____ will be used to pay costs of issuing the Bonds, and the remainder will be used to pay Costs of the Financed Facility.

Section 3.6. Multipurpose Issue. Pursuant to Regulations § 1.148-9(h), the Issuer is applying the arbitrage rules to separate financing purposes of the issue that have the same initial temporary period as if they constitute a single issue for purposes of applying the arbitrage rules.

Section 3.7. No Advance Refunding. No proceeds of the Bonds will be used more than 90 days following the Issue Date to pay principal or interest on any other debt obligation.

Section 3.8. No Current Refunding. No proceeds of the Bonds will be used to pay principal or interest on any other debt obligation.

Section 3.9. Project Completion. The Issuer has incurred, or will incur within 6 months after the Issue Date, a substantial binding obligation to a third party to spend at least 5% of the Net Proceeds of the Bonds on the Financed Facility. The completion of the Financed Facility and the allocation of the Net Proceeds of the Bonds to expenditures will proceed with due diligence. At least 85% of the Net Proceeds of the Bonds will be allocated to expenditures on the Financed Facility within 3 years after the Issue Date.

Section 3.10. Sinking Funds. The Issuer is required to make periodic payments in amounts sufficient to pay the principal of and interest on the Bonds. Such payments will be deposited into the Debt Service Fund. Except for the Debt Service Fund, no sinking fund or other similar fund that is

expected to be used to pay principal of or interest on the Bonds has been established or is expected to be established. The Debt Service Fund is used primarily to achieve a proper matching of revenues with principal and interest payments on the Bonds within each Bond Year, and the Issuer expects that the Debt Service Fund will qualify as a Bona Fide Debt Service Fund.

Section 3.11. Reserve, Replacement and Pledged Funds.

(a) *Debt Service Reserve Fund.* No reserve or replacement fund has been established for the Bonds.

(b) *No Other Replacement or Pledged Funds.* None of the Bond proceeds will be used as a substitute for other funds that were intended or earmarked to pay costs of the Financed Facility, and that instead has been or will be used to acquire higher Yielding Investments. Except for the Debt Service Fund, there are no other funds pledged or committed in a manner that provides a reasonable assurance that such funds would be available for payment of the principal of or interest on the Bonds if the Issuer encounters financial difficulty.

Section 3.12. Purpose Investment Yield. The proceeds of the Bonds will not be used to purchase an Investment for the purpose of carrying out the governmental purpose of the financing.

Section 3.13. Offering Prices and Yield on Bonds.

(a) *Offering Prices.* In the Underwriter Receipt for Bonds and Closing Certificate, the Underwriter has certified that (1) all of the Bonds have been the subject of an initial offering to the public at prices no higher than those shown on Exhibit A attached thereto, plus accrued interest (the “Offering Prices”), and (2) the Underwriter expects that at least 10% of the Bonds of each maturity will be sold to the public at initial Offering Prices no higher than said Offering Prices. The aggregate initial offering price of the Bonds is \$_____, plus accrued interest.

(b) *Bond Yield.* Based on the Offering Prices, the Yield on the Bonds is _____%, as computed by Bond Counsel as shown on **Exhibit A**. The Issuer has not entered into an interest rate swap agreement with respect to any portion of the proceeds of the Bonds.

Section 3.14. Miscellaneous Arbitrage Matters.

(a) *No Abusive Arbitrage Device.* The Bonds are not and will not be part of a transaction or series of transactions that has the effect of (1) enabling the Issuer to exploit the difference between tax-exempt and taxable interest rates to gain a material financial advantage, and (2) overburdening the tax-exempt bond market.

(b) *No Over-Issuance.* The sale proceeds of the Bonds, together with expected Investment earnings thereon and other money contributed by the Issuer, do not exceed the cost of the governmental purpose of the Bonds as described above.

Section 3.15. Conclusion. On the basis of the facts, estimates and circumstances set forth in this Tax Certificate, the Issuer does not expect that the Bond proceeds will be used in a manner that would cause any Bond to be an “arbitrage bond” within the meaning of Code § 148 and the Regulations.

ARTICLE IV

POST-ISSUANCE TAX REQUIREMENTS, POLICIES AND PROCEDURES

Section 4.1. General.

(a) *Purpose of Article.* The purpose of this Article is to supplement the Tax Compliance Procedure and to set out specific policies and procedures governing compliance with the federal income tax requirements that apply after the Bonds are issued. The Issuer recognizes that interest on the Bonds will remain excludable from gross income only if the Post-Issuance Tax Requirements are followed after the Issue Date. The Issuer further acknowledges that written evidence substantiating the Post-Issuance Tax Requirements must be retained in order to permit the Bonds to be refinanced with tax-exempt obligations and substantiate the position that interest on the Bonds is exempt from gross income in the event of an audit of the Bonds by the IRS.

(b) *Written Policies and Procedures of the Issuer.* The Issuer intends for the Tax Compliance Procedure, as supplemented by this Tax Certificate, to be its primary written policies and procedures for monitoring compliance with the Post-Issuance Tax Requirements for the Bonds and to supplement any other formal policies and procedures related to tax compliance that the Issuer has established. The provisions of this Tax Certificate are intended to be consistent with the Tax Compliance Procedure. In the event of any inconsistency between the Tax Compliance Procedure and this Tax Certificate, the terms of this Tax Certificate will govern.

(c) *Bond Compliance Officer.* The Issuer when necessary to fulfill its Post-Issuance Tax Requirements will, through its Bond Compliance Officer, sign Form 8038-T in connection with the payment of arbitrage rebate or yield reduction payments, participate in any federal income tax audit of the Bonds or related proceedings under a voluntary compliance agreement procedures (VCAP) or undertake a remedial action procedure pursuant to Regulations §§ 1.141-12 and 1.145-2. In each case, all costs and expenses incurred by the Issuer shall be treated as a reasonable cost of administering the Bonds and the Issuer shall be entitled to reimbursement and recovery of its costs to the same extent as provided in the Ordinance or State law.

Section 4.2. Record Keeping; Use of Bond Proceeds and Use of Financed Facility.

(a) *Record Keeping.* The Bond Compliance Officer will maintain the Tax-Exempt Bond File for the Bonds in accordance with the Tax Compliance Procedure. Unless otherwise specifically instructed in a written Opinion of Bond Counsel or to the extent otherwise provided in this Tax Certificate, the Bond Compliance Officer shall retain records related to the Post-Issuance Tax Requirements until 3 years following the final maturity of (1) the Bonds or (2) any obligation issued to refund the Bonds. Any records maintained electronically must comply with Section 4.01 of Revenue Procedure 97-22, which generally provides that an electronic storage system must (i) ensure an accurate and complete transfer of the hardcopy records which indexes, stores, preserves, retrieves and reproduces the electronic records, (ii) include reasonable controls to ensure integrity, accuracy and reliability of the electronic storage system and to prevent unauthorized alteration or deterioration of electronic records, (iii) exhibit a high degree of legibility and readability both electronically and in hardcopy, (iv) provide support for other books and records of the Issuer and (v) not be subject to any agreement that would limit the ability of the IRS to access and use the electronic storage system on the Issuer's premises.

(b) *Accounting and Allocation of Bond Proceeds to Expenditures.* The Bond Compliance Officer will account for the investment and expenditure of Bond proceeds in the level of detail required

by the Tax Compliance Procedure. The Bond Compliance Officer will supplement the expected allocation of Bond proceeds to expenditures with a Final Written Allocation as required by the Tax Compliance Procedure. A sample form of Final Written Allocation is attached as **Exhibit F**.

(c) *Annual Compliance Checklist.* Attached as **Exhibit E** is a sample annual compliance checklist for the Bonds. The Bond Compliance Officer will prepare and complete an annual compliance checklist for the Financed Facility at least annually in accordance with the Tax Compliance Procedure. In the event the annual compliance checklist identifies a deficiency in compliance with the requirements of this Tax Certificate, the Bond Compliance Officer will take the actions identified in an Opinion of Bond Counsel or Section 4.4 of the Tax Compliance Procedure to correct any deficiency.

(d) *Opinions of Bond Counsel.* The Bond Compliance Officer is responsible for obtaining and delivering to the Issuer any Opinion of Bond Counsel required under the provisions of this Tax Certificate, including any opinion required by this Tax Certificate or the annual compliance checklist.

Section 4.3. Temporary Periods/Yield Restriction. Except as described below, the Issuer will not invest Gross Proceeds at a Yield greater than the Yield on the Bonds:

(a) *Project Fund.* Bond proceeds deposited in the Project Fund, including amounts held to pay the costs of issuing the Bonds, and Investment earnings on those proceeds may be invested without Yield restriction for up to 3 years following the Issue Date. If any unspent proceeds remain in the Project Fund after 3 years, those amounts may continue to be invested without Yield restriction so long as the Issuer pays to the IRS all Yield reduction payments in accordance with Regulations § 1.148-5(c). These payments are required whether or not the Bonds are exempt from the arbitrage rebate requirements of Code § 148.

(b) *Debt Service Fund.* To the extent that the Debt Service Fund qualifies as a Bona Fide Debt Service Fund, money in such account may be invested without Yield restriction for 13 months after the date of deposit. Earnings on such amounts may be invested without Yield restriction for 1 year after the date of receipt of such earnings.

(c) *Minor Portion.* In addition to the amounts described above, Gross Proceeds not exceeding the Minor Portion may be invested without Yield restriction.

Section 4.4. Fair Market Value.

(a) *General.* No Investment may be acquired with Gross Proceeds for an amount (including transaction costs) in excess of the fair market value of such Investment, or sold or otherwise disposed of for an amount (including transaction costs) less than the fair market value of the Investment. The fair market value of any Investment is the price a willing buyer would pay to a willing seller to acquire the Investment in a bona fide, arm's-length transaction. Fair market value will be determined in accordance with Regulations § 1.148-5.

(b) *Established Securities Market.* Except for Investments purchased for a Yield-restricted defeasance escrow, if an Investment is purchased or sold in an arm's-length transaction on an established securities market (within the meaning of Code § 1273), the purchase or sale price constitutes the fair market value. Where there is no established securities market for an Investment, market value must be established using 1 of the paragraphs below. The fair market value of Investments purchased for a Yield-restricted defeasance escrow must be determined in a bona fide solicitation for bids that complies with Regulations § 1.148-5.

(c) *Certificates of Deposit.* The purchase price of a certificate of deposit (a “CD”) is treated as its fair market value on the purchase date if (1) the CD has a fixed interest rate, a fixed payment schedule, and a substantial penalty for early withdrawal, (2) the Yield on the CD is not less than the Yield on reasonably comparable direct obligations of the United States, and (3) the Yield is not less than the highest Yield published or posted by the CD issuer to be currently available on reasonably comparable CDs offered to the public.

(d) *Guaranteed Investment Contracts.* The Issuer is applying Regulations § 1.148-5(d)(6)(iii)(A) to the Bonds. The purchase price of a Guaranteed Investment Contract is treated as its fair market value on the purchase date if all of the following requirements are met:

(1) Bona Fide Solicitation for Bids. The Issuer makes a bona fide solicitation for the Guaranteed Investment Contract, using the following procedures:

(i) The bid specifications are in writing and are timely forwarded to potential providers, or are made available on an internet website or other similar electronic media that is regularly used to post bid specifications to potential bidders. A writing includes a hard copy, a fax, or an electronic e-mail copy.

(ii) The bid specifications include all “material” terms of the bid. A term is material if it may directly or indirectly affect the Yield or the cost of the Guaranteed Investment Contract.

(iii) The bid specifications include a statement notifying potential providers that submission of a bid is a representation (A) that the potential provider did not consult with any other potential provider about its bid, (B) that the bid was determined without regard to any other formal or informal agreement that the potential provider has with the Issuer or any other person (whether or not in connection with the bond issue), and (C) that the bid is not being submitted solely as a courtesy to the Issuer or any other person, for purposes of satisfying the requirements of the Regulations.

(iv) The terms of the bid specifications are “commercially reasonable.” A term is commercially reasonable if there is a legitimate business purpose for the term other than to increase the purchase price or reduce the yield of the Guaranteed Investment Contract.

(v) The terms of the solicitation take into account the Issuer’s reasonably expected deposit and draw-down schedule for the amounts to be invested.

(vi) All potential providers have an equal opportunity to bid. If the bidding process affords any opportunity for a potential provider to review other bids before providing a bid, then providers have an equal opportunity to bid only if all potential providers have an equal opportunity to review other bids. Thus, no potential provider may be given an opportunity to review other bids that is not equally given to all potential providers (that is no exclusive “last look”).

(vii) At least 3 “reasonably competitive providers” are solicited for bids. A reasonably competitive provider is a provider that has an established industry reputation as a competitive provider of the type of Investments being purchased.

(2) Bids Received. The bids received must meet all of the following requirements:

(i) At least 3 bids are received from providers that were solicited as described above and that do not have a “material financial interest” in the issue. For this purpose, (A) a lead underwriter in a negotiated underwriting transaction is deemed to have a material financial interest in the issue until 15 days after the Issue Date of the issue, (B) any entity acting as a financial advisor with respect to the purchase of the Guaranteed Investment Contract at the time the bid specifications are forwarded to potential providers has a material financial interest in the issue, and (C) a provider that is a related party to a provider that has a material financial interest in the issue is deemed to have a material financial interest in the issue.

(ii) At least 1 of the 3 bids received is from a reasonably competitive provider, as defined above.

(iii) If an agent or broker is used to conduct the bidding process, the agent or broker did not bid to provide the Guaranteed Investment Contract.

(3) Winning Bid. The winning bid is the highest yielding bona fide bid (determined net of any broker’s fees).

(4) Fees Paid. The obligor on the Guaranteed Investment Contract certifies the administrative costs that it pays (or expects to pay, if any) to third parties in connection with supplying the Guaranteed Investment Contract.

(5) Records. The Issuer retains the following records with the Bond documents until 3 years after the last outstanding Bond is redeemed:

(i) A copy of the Guaranteed Investment Contract.

(ii) The receipt or other record of the amount actually paid for the Guaranteed Investment Contract, including a record of any administrative costs paid by the Issuer, and the certification as to fees paid, described in paragraph (d)(4) above.

(iii) For each bid that is submitted, the name of the person and entity submitting the bid, the time and date of the bid, and the bid results.

(iv) The bid solicitation form and, if the terms of Guaranteed Investment Contract deviated from the bid solicitation form or a submitted bid is modified, a brief statement explaining the deviation and stating the purpose for the deviation.

(e) *Other Investments*. If an Investment is not described above, the fair market value may be established through a competitive bidding process, as follows:

(1) at least 3 bids on the Investment must be received from persons with no financial interest in the Bonds (e.g., as underwriters or brokers); and

(2) the Yield on the Investment must be equal to or greater than the Yield offered under the highest bid.

Section 4.5. Certain Gross Proceeds Exempt from the Rebate Requirement.

(a) *General.* A portion of the Gross Proceeds of the Bonds may be exempt from rebate pursuant to one or more of the following exceptions. The exceptions typically will not apply with respect to all Gross Proceeds of the Bonds and will not otherwise affect the application of the Investment limitations described in Section 4.3. Unless specifically noted, the obligation to compute, and if necessary, to pay rebate as set forth in Section 4.6 applies even if a portion of the Gross Proceeds of the Bonds is exempt from the rebate requirement. To the extent all or a portion of the Bonds is exempt from rebate the Rebate Analyst may account for such fact in connection with its preparation of a rebate report described in Section 4.6. The Issuer may defer the final rebate Computation Date and the payment of rebate for the Bonds to the extent permitted by Regulations §§ 1.148-7(b)(1) and 1.148-3(e)(2) but only in accordance with specific written instructions provided by the Rebate Analyst.

(b) *Applicable Spending Exceptions.*

(1) The Issuer expect that at least 75% of the Available Construction Proceeds will be used for construction or rehabilitation expenditures for property owned by the Issuer.

(2) The following optional rebate spending exceptions can apply to the Bonds:

- (i) 6-month spending exception (Code § 148(f)(4)(B) and Regulations § 1.148-7(c)).
- (ii) 18-month spending exception (Regulations § 1.148-7(d)).
- (iii) 2-year spending exception (Code § 148(f)(4)(C) and Regulations § 1.148-7(e)).

(3) The Issuer expects to earn approximately \$_____ in investment earnings on Bond proceeds in the Project Fund.

(c) *Special Elections Made with Respect to Spending Exception Elections.* No special elections are being made in connection with the application of the spending exceptions.

(d) *Bona Fide Debt Service Fund.* To the extent that the Debt Service Fund qualifies as a Bona Fide Debt Service Fund, Investment earnings in the fund cannot be taken into account in computing arbitrage rebate (1) with respect to such portion that meets the 6-month, 18-month or 2-year spending exception, or (2) for a given Bond Year, if the gross earnings on the Debt Service Fund for such Bond Year are less than \$100,000. If the average annual debt service on the Bonds does not exceed \$2,500,000, the \$100,000 earnings test may be treated as satisfied in every Bond Year.

(e) *Documenting Application of Spending Exception.* At any time prior to the first Computation Date, the Issuer may engage the Rebate Analyst to determine whether one or more spending exceptions has been satisfied, and the extent to which the Issuer must continue to comply with Section 4.6 hereof.

(f) *General Requirements for Spending Exception.* The following general requirements apply in determining whether a spending exception is met.

(1) Using Adjusted Gross Proceeds or Available Construction Proceeds to pay principal of any Bonds is not taken into account as an expenditure for purposes of meeting any of the spending tests.

(2) The 6-month spending exception generally is met if all Adjusted Gross Proceeds of the Bonds are spent within 6 months following the Issue Date. The test may still be satisfied even if up to 5% of the sale proceeds remain at the end of the initial 6-month period, so long as this amount is spent within 1 year of the Issue Date.

(3) The 18-month spending exception generally is met if all Adjusted Gross Proceeds of the Bonds are spent in accordance with the following schedule:

Time Period After the Issue Date	Minimum Percentage of Adjusted Gross Proceeds Spent
6 months	15%
12 months	60%
18 months (Final)	100%

(4) The 2-year spending exception generally is met if all Available Construction Proceeds are spent in accordance with the following schedule:

Time Period After the Issue Date	Minimum Percentage of Available Construction Proceeds Spent
6 months	10%
12 months	45%
18 months	75%
24 months (Final)	100%

(5) For purposes of applying the 18-month and 2-year spending exceptions only, the failure to satisfy the **final** spending requirement is disregarded if the Issuer uses due diligence to complete the Financed Facility and the failure does not exceed the lesser of 3% of the aggregate issue price the Bonds or \$250,000. **No such exception applies for any other spending period.**

(6) For purposes of applying the 18-month and 2-year spending exceptions only, the Bonds meet the applicable spending test even if, at the end of the **final** spending period, proceeds not exceeding a Reasonable Retainage remain unspent, so long as such Reasonable Retainage is spent within 30 months after the Issue Date in the case of the 18-month exception or 3 years after the Issue Date in the case of the 2-year spending exception.

Section 4.6. Computation and Payment of Arbitrage Rebate.

(a) *Rebate Fund.* The Issuer will keep the Rebate Fund separate from all other funds and will administer the Rebate Fund under this Tax Certificate. Any Investment earnings derived from the Rebate Fund will be credited to the Rebate Fund, and any Investment loss will be charged to the Rebate Fund.

(b) *Computation of Rebate Amount.* The Issuer will provide the Rebate Analyst Investment reports relating to each fund held by it that contains Gross Proceeds of the Bonds together with copies of Investment reports for any funds containing Gross Proceeds that are held by a party other than the Issuer annually as of the end of each Bond Year and not later than 10 days following each Computation Date. Each Investment report provided to the Rebate Analyst will contain a record of each Investment, including (1) purchase date, (2) purchase price, (3) information establishing the fair market value on the date such Investment was allocated to the Bonds, (4) any accrued interest paid, (5) face amount, (6) coupon rate, (7) frequency of interest payments, (8) disposition price, (9) any accrued interest received, and (10) disposition date. Such records may be supplied in electronic form. The Rebate Analyst will compute rebate following each Computation Date and deliver a written report to the Issuer together with an opinion or certificate of the Rebate Analyst stating that arbitrage rebate was determined in accordance with the Regulations. Each report and opinion will be provided not later than 45 days following the Computation Date to which it relates. In performing its duties, the Rebate Analyst may rely, in its discretion, on the correctness of financial analysis reports prepared by other professionals. If the sum of the amount on deposit in the Rebate Fund and the value of prior rebate payments is less than the arbitrage rebate due, the Issuer will, within 55 days after such Computation Date, pay the amount of the deficiency for deposit into the Rebate Fund. If the sum of the amount on deposit in the Rebate Fund and the value of prior rebate payments is greater than the Rebate Amount the Issuer will transfer such surplus in the Rebate Fund to the Debt Service Fund. After the final Computation Date or at any other time if the Rebate Analyst has advised the Issuer, any money left in the Rebate Fund will be paid to the Issuer and may be used for any purpose not prohibited by law.

(c) *Rebate Payments.* Within 60 days after each Computation Date, the Issuer will pay to the United States the rebate amount then due, determined in accordance with the Regulations. Each payment must be (1) accompanied by IRS Form 8038-T and such other forms, documents or certificates as may be required by the Regulations, and (2) mailed or delivered to the IRS at the address shown below, or to such other location as the IRS may direct:

Internal Revenue Service Center
Ogden, UT 84201

Section 4.7. Successor Rebate Analyst. If the firm acting as the Rebate Analyst resigns or becomes incapable of acting for any reason, or if the Issuer desires that a different firm act as the Rebate Analyst, then the Issuer by an instrument or concurrent instruments in writing delivered to the firm then serving as the Rebate Analyst and any other party to this Tax Certificate, will name a successor Rebate Analyst. In each case the successor Rebate Analyst must be a firm of nationally recognized bond counsel or a firm of independent certified public accountants and such firm must expressly agree to undertake the responsibilities assigned to the Rebate Analyst hereunder.

Section 4.8. Filing Requirements. The Issuer will file or cause to be filed with the IRS such reports or other documents as are required by the Code in accordance with an Opinion of Bond Counsel.

Section 4.9. Survival after Defeasance. Notwithstanding anything in the Ordinance to the contrary, the obligation to pay arbitrage rebate to the United States will survive the payment or defeasance of the Bonds.

ARTICLE V

MISCELLANEOUS PROVISIONS

Section 5.1. Term of Tax Certificate. This Tax Certificate will be effective concurrently with the issuance and delivery of the Bonds and will continue in force and effect until the principal of, redemption premium, if any, and interest on all Bonds have been fully paid and all such Bonds are cancelled; provided that, the provisions of **Article IV** of this Tax Certificate regarding payment of arbitrage rebate and all related penalties and interest will remain in effect until all such amounts are paid to the United States and the provisions of **Section 4.2** relating to record keeping shall continue in force for the period described therein for records to be retained.

Section 5.2. Amendments. This Tax Certificate may be amended from time to time by the parties to this Tax Certificate without notice to or the consent of any of the Bondowners, but only if such amendment is in writing and is accompanied by an Opinion of Bond Counsel to the effect that, under then existing law, assuming compliance with this Tax Certificate as so amended such amendment will not cause interest on any Bond to be included in gross income for federal income tax purposes. No such amendment will become effective until the Issuer receives this Opinion of Bond Counsel.

Section 5.3. Opinion of Bond Counsel. The Issuer may deviate from the provisions of this Tax Certificate if furnished with an Opinion of Bond Counsel to the effect that the proposed deviation will not adversely affect the exclusion of interest on the Bonds from gross income for federal income tax purposes. The Issuer will comply with any further or different instructions provided in an Opinion of Bond Counsel to the effect that the further or different instructions need to be complied with in order to maintain the validity of the Bonds or the exclusion from gross income of interest on the Bonds.

Section 5.4. Reliance. In delivering this Tax Certificate the Issuer is making only those certifications, representations and agreements as are specifically attributed to them in this Tax Certificate. The Issuer is not aware of any facts or circumstances which would cause it to question the accuracy of the facts, circumstances, estimates or expectations of any other party providing certifications as part of this Tax Certificate and, to the best of its knowledge, those facts, circumstances, estimates and expectations are reasonable. The Issuer understands that its certifications will be relied upon by the law firm of Gilmore & Bell, P.C., in rendering its opinion as to the validity of the Bonds and the exclusion from federal gross income of the interest on the Bonds.

Section 5.5. Severability. If any provision in this Tax Certificate or in the Bonds is determined to be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions will not be affected or impaired.

Section 5.6. Benefit of Agreement. This Tax Certificate is binding upon the Issuer its respective successors and assigns, and inures to the benefit of the parties to this Tax Certificate and the owners of the Bonds. Nothing in this Tax Certificate or in the Ordinance or the Bonds, express or implied, gives to any person, other than the parties to this Tax Certificate, their successors and assigns,

and the owners of the Bonds, any benefit or any legal or equitable right, remedy or claim under this Tax Certificate.

Section 5.7. Default, Breach and Enforcement. Any misrepresentation of a party contained herein or any breach of a covenant or agreement contained in this Tax Certificate may be pursued by the Bondowners pursuant to the terms of the Ordinance or any other document which references this Tax Certificate and gives remedies for a misrepresentation or breach thereof.

Section 5.8. Execution in Counterparts. This Tax Certificate may be executed in any number of counterparts, each of which so executed will be deemed to be an original, but all such counterparts will together constitute the same instrument.

Section 5.9. Governing Law. This Tax Certificate will be governed by and construed in accordance with the laws of the State of Missouri.

Section 5.10. Electronic Transactions. The transaction described in this Tax Certificate may be conducted, and related documents may be stored, sent or received by electronic means.

EXHIBIT F

SAMPLE FINAL WRITTEN ALLOCATION

**City of Columbia, Missouri
Special Obligation Improvement Bonds
(Solid Waste System Project)
Series 2017**

Final Written Allocation

The undersigned is the Bond Compliance Officer of the City of Columbia, Missouri (the “Issuer”) and in that capacity is authorized to execute federal income tax returns required to be filed by the Issuer and to make appropriate elections and designations regarding federal income tax matters on behalf of the Issuer. This allocation of the proceeds of the bond issue referenced above (the “Bonds”) is necessary for the Issuer to satisfy ongoing reporting and compliance requirements under federal income tax laws.

Purpose. This document, together with the schedules and records referred to below, is intended to memorialize allocations of Bond proceeds to expenditures for purposes of §§ 141 and 148 of the Internal Revenue Code (the “Code”). All allocations are or were previously made no later than 18 months following the date the expenditure was made by the Issuer or, if later, the date the “project” was “placed in service” (both as defined below), and no later than 60 days following the 5th anniversary of the issue date of the Bonds.

Background. The Bonds were issued on April 19, 2017 (the “Issue Date”), by the City of Columbia, Missouri, (the “Issuer”). The Bonds were issued in order to provide funds needed to construct an approximate 11.26 acre bioreactor landfill area (the “Project”). The Bonds were issued pursuant to an Ordinance of the Issuer. Proceeds of the Bonds were deposited to the following accounts:

Project Account

Sources Used to Fund Project Costs and Allocation of Proceeds to Project Costs. A portion of the costs of the Project was paid from sale proceeds of the Bonds and the remaining portion of the costs of the Project was paid from earnings from the investment of bond sale proceeds as shown on **Schedule 1** to this Final Written Allocation.

Identification of Financed Assets. The portions of the Project financed from Bond proceeds (i.e., the “Financed Facility” referenced in the Federal Tax Certificate) are listed on page 1 of **Schedule 2** to this Final Written Allocation.

Identification and Timing of Expenditures for Arbitrage Purposes. For purposes of complying with the arbitrage rules, the Issuer allocates the proceeds of the Bonds to the various expenditures described in the invoices, requisitions or other substantiation attached as **Schedule 2** to this Final Written Allocation. In each case, the cost requisitioned was either paid directly to a third party or reimbursed the Issuer for an amount it had previously paid or incurred. Amounts received from the sale of the Bonds and retained as underwriters discount are allocated to that purpose and spent on the Issue Date. Amounts allocated to interest expense are treated as paid on the interest payment dates for the Bonds.

Placed In Service. The Project was “placed in service” on the date set out on **Schedule 2** to this Final Written Allocation. For this purpose, the assets are considered to be “placed in service” as of the date on which, based on all the facts and circumstances: (a) the constructing and equipping of the asset has reached a degree of completion which would permit its operation at substantially its design level; and (b) the asset is, in fact, in operation at that level.

This allocation has been prepared based on statutes and regulations existing as of this date. The Issuer reserves the right to amend this allocation to the extent permitted by future Treasury Regulations or similar authorities.
