- 1.3.4 In accordance with 45 CFR 164.502(e)(1)(ii) and 164.308(b)(2), the contractor shall require that any agent or subcontractor that creates, receives, maintains, or transmits Protected Health Information on behalf of the contractor agrees to the same restrictions, conditions, and requirements that apply to the contractor with respect to such information.
- 1.3.5 By no later than ten (10) calendar days after receipt of a written request from the state agency, or as otherwise required by state or federal law or regulation, or by another time as may be agreed upon in writing by the state agency, the contractor shall make the contractor's internal practices, books, and records, including policies and procedures and Protected Health Information, relating to the use and disclosure of Protected Health Information received from, created by, or received by the contractor on behalf of the state agency available to the state agency and/or to the Secretary of the Department of Health and Human Services or designee for purposes of determining compliance with the HIPAA Rules and the contract.

- 1.3.6 The contractor shall document any disclosures and information related to such disclosures of Protected Health Information as would be required for the state agency to respond to a request by an individual for an accounting of disclosures of Protected Health Information in accordance with 42 USCA §17932 and 45 CFR 164.528. By no later than five (5) calendar days of receipt of a written request from the state agency, or as otherwise required by state or federal law or regulation, or by another time as may be agreed upon in writing by the state agency, the contractor shall provide an accounting of disclosures of Protected Health Information regarding an individual to the state agency. However, if requested by the state agency, the contractor shall provide access to the Protected Health Information in a designated record set directly to the individual for whom such information relates.
- 1.3.8 At the direction of the state agency, the contractor shall promptly make any amendment(s) to Protected Health Information in a Designated Record Set pursuant to 45 CFR 164.526.
- 1.3.9 The contractor shall report to the state agency's Security Officer any security incident immediately upon becoming aware of such incident and shall take immediate action to stop the continuation of any such incident. For purposes of this paragraph, security incident shall mean the attempted or successful unauthorized access, use, modification or destruction of information or interference with systems operations in an information system.   - d. A description of the types of Protected Health Information involved in the incident (such as full name, Social Security Number, date of birth, home address, account number, or disability code) and whether the incident involved Unsecured Protected Health Information; and
  - e. The recommended steps individuals should take to protect themselves from potential harm resulting from the incident.
- 1.3.13 Notwithstanding any provisions of the Terms and Conditions attached hereto, in order to meet the requirements under HIPAA and the regulations promulgated thereunder, the contractor shall keep and retain adequate, accurate, and complete records of the documentation required under these provisions for a minimum of six (6) years as specified in 45 CFR Part 164.
- 1.3.14 Contractor shall not directly or indirectly receive remuneration in exchange for any Protected Health Information without a valid authorization.
- 1.3.15 If the contractor becomes aware of a pattern of activity or practice of the state agency that constitutes a material breach of contract regarding the state agency's obligations under the Business Associate Provisions of the contract, the contractor shall notify the state agency's Security Officer of the activity or practice and work with the state agency to correct the breach of contract.
- 1.3.16 *To the extent not prohibited by law and without waiving sovereign immunity,* The contractor shall indemnify the state agency from any liability resulting from any violation of the Privacy Rule or Security Rule or Breach arising from the conduct or omission of the contractor or its employee(s), agent(s) or subcontractor(s). The contractor shall reimburse the state agency for any and all actual and direct costs and/or losses, including those incurred under the civil penalties implemented by legal requirements, including but not limited to HIPAA as amended by the Health Information Technology for Economic and Clinical Health Act, and including reasonable attorney's fees, which may be imposed upon the state agency under legal requirements, including but not limited to HIPAA's Administrative Simplification Rules, arising from or in connection with the contractor's negligent or wrongful actions or inactions or violations of this Agreement.
- 1.4 Obligations of the State Agency:
- 1.4.1 The state agency shall notify the contractor of limitation(s) that may affect the contractor's use or disclosure of Protected Health Information, by providing the contractor with the state agency's notice of privacy practices in accordance with 45 CFR 164.520.
  - 1.4.2 The state agency shall notify the contractor of any changes in, or revocation of, authorization by an Individual to use or disclose Protected Health Information.
  - 1.4.3 The state agency shall notify the contractor of any restriction to the use or disclosure of Protected Health Information that the state agency has agreed to in accordance with 45 CFR 164.522.
  - 1.4.4 The state agency shall not request the contractor to use or disclose Protected Health Information in any manner that would not be permissible under HIPAA and the regulations promulgated thereunder.

- 1.5 Expiration/Termination/Cancellation - Except as provided in the subparagraph below, upon the expiration, termination, or cancellation of the contract for any reason, the contractor shall, at the discretion of the state agency, either return to the state agency or destroy all Protected Health Information received by the contractor from the state agency, or created or received by the contractor on behalf of the state agency, and shall not retain any copies of such Protected Health Information. This provision shall also apply to Protected Health Information that is in the possession of subcontractor or agents of the contractor.
- 1.5.1 In the event the state agency determines that returning or destroying the Protected Health Information is not feasible, the contractor shall extend the protections of the contract to the Protected Health Information for as long as the contractor maintains the Protected Health Information and shall limit the use and disclosure of the Protected Health Information to those purposes that made return or destruction of the information infeasible. If at any time it becomes feasible to return or destroy any such Protected Health Information maintained pursuant to this paragraph, the contractor must notify the state agency and obtain instructions from the state agency for either the return or destruction of the Protected Health Information.
- 1.6 Breach of Contract – In the event the contractor is in breach of contract with regard to the business associate provisions included herein, the contractor agrees that in addition to the requirements of the contract related to cancellation of contract, if the state agency determines that cancellation of the contract is not feasible, the State of Missouri may elect not to cancel the contract, but the state agency shall report the breach of contract to the Secretary of the Department of Health and Human Services.

**EXHIBIT 2**  
**ANTI-DISCRIMINATION AGAINST ISRAEL ACT CERTIFICATION**

**Statutory Requirement:** Section 34.600, RSMo, precludes entering into a contract with a company to acquire products and/or services “unless the contract includes a written certification that the company is not currently engaged in and shall not, for the duration of the contract, engage in a boycott of goods or services from the State of Israel; companies doing business in or with Israel or authorized by, licensed by, or organized under the laws of the State of Israel; or persons or entities doing business in the State of Israel.”

**Exceptions:** The statute provides two exceptions for this certification: 1) “contracts with a total potential value of less than one hundred thousand dollars” or 2) “contractors with fewer than ten employees.” Therefore the following certification is required prior to any contract award.

Section 34.600, RSMo, defines the following terms:

**Company** - any for-profit or not-for-profit organization, association, corporation, partnership, joint venture, limited partnership, limited liability partnership, limited liability company, or other entity or business association, including all wholly-owned subsidiaries, majority-owned subsidiaries, parent companies, or affiliates of those entities or business associations.

**Boycott Israel and Boycott of the State of Israel** - engaging in refusals to deal, terminating business activities, or other actions to discriminate against, inflict economic harm, or otherwise limit commercial relations specifically with the State of Israel; companies doing business in or with Israel or authorized by, licensed by, or organized under the laws of the State of Israel; or persons or entities doing business in the State of Israel, that are all intended to support a boycott of the State of Israel. A company’s statement that it is participating in boycotts of the State of Israel; companies doing business in or with Israel or authorized by, licensed by, or organized under the laws of the State of Israel; or persons or entities doing business in the State of Israel, or that it has taken the boycott action at the request, in compliance with, or in furtherance of calls for a boycott of the State of Israel; companies doing business in or with Israel or authorized by, licensed by, or organized under the laws of the State of Israel; or persons or entities doing business in the State of Israel shall be considered to be conclusive evidence that a company is participating in a boycott of the State of Israel; companies doing business in or with Israel or authorized by, licensed by, or organized under the laws of the State of Israel; or persons or entities doing business in the State of Israel; provided, however that a company that has made no such statement may still be considered to be participating in a boycott of the State of Israel; companies doing business in or with Israel or authorized by, licensed by, or organized under the laws of the State of Israel; or persons or entities doing business in the State of Israel if other factors warrant such a conclusion.

**Certification:** The Contractor must therefore certify their current status by completing either Box A, Box B, or Box C on the next page of this Exhibit.
