Re: Copier Lease and Maintenance Agreement for Columbia Regional Airport

## Executive Summary

Authorizing the Purchasing Agent to sign a lease and maintenance agreement with GFI Digital, Inc for a 60-month lease of a Sharp BP copier/printer/scanner for Columbia Regional Airport.

## Discussion

In 2019, The City of Columbia formally bid the lease and maintenance of copy machines per RFP #4/2019, and entered into a lease and maintenance agreement with GFI Digital, Inc., in May of 2020. This legislation granted authority to the Purchasing Agent to sign the leases and maintenance agreements for all copy machines leased to City departments.

Columbia Regional Airport recently reached out to GFI to lease a new copy machine for the administrative office, and was informed that all of the models included in the original 2019/2020 list of available copy machines are now obsolete and no longer available for lease. Therefore, new legislation is required authorizing the Purchasing Agent to sign a lease and maintenance agreement for a current model.

## Fiscal Impact

Short-Term Impact: The lease and maintenance agreement for the copy machine is \$138.21 per month for a 60-month contract period

Long-Term Impact: \$138.21 per month for 60-month period.

## Strategic & Comprehensive Plan Impact
