Re: Appropriating funds for the purchase of a replacement livestock trailer.

Executive Summary

An ordinance appropriating insurance reimbursement funds received to replace a stolen livestock trailer.

Discussion

Public Health and Human Services (PHHS) received funds from an insurance claim related to a stolen livestock trailer. These funds need to be appropriated to replace the livestock trailer, which is used for transporting large animals. In addition to these funds, less than \$1,000 of savings funds will be used to make up the balance of the purchase.
