Re: Authorizing a logistics management system agreement with Native Rock, Inc. for warehouse management software.

## Executive Summary

Staff has prepared for Council consideration a resolution authorizing the City Manager to execute a logistics management system agreement with Native Rock, Inc. for warehouse management software used to support operations of the City's Transload Facility.

## Discussion

The City's Transload Facility receives, stores and ships material for customers. This material is received and delivered by either the City owned railroad or by private over the road trucking companies. This operation is supported using a logistics management systems provided by Native Rock, Inc. This software provides for warehousing functions (receiving, storage, shipping, etc.), rates and invoicing, as further described in the scope of services. The estimated annual expense is anticipated to be \$23,400 and is included in the operating budget for fiscal year 2024.

## Fiscal Impact

Short-Term Impact: \$23,400 has been appropriated in the fiscal year 2024 operating budget.  
Long-Term Impact: Funds will be appropriated annually in future years.
