Re: Annual Agreement Renewal with Boone County Family Resources to Provide Funding and Support for the C.A.R.E. Program

## Executive Summary

Boone County Family Resources (BCFR) and the Parks and Recreation C.A.R.E. program entered into an agreement on October 1, 2009, to initiate a program to provide staff and funding to support job training and placement for up to 10 youths with special needs. The current agreement expires at the end of BCFR's fiscal year (June 30, 2016). Based on the program's success, BCFR wishes to continue this partnership. The proposed agreement will extend the program for one year from July 1, 2016 through June 30, 2017. The attached cooperative agreement as proposed by BCFR will provide \$46,128 in annual support for the program.

## Discussion

The Parks and Recreation Department has received funding from Boone County Family Resources (BCFR) to use for a program, within the current C.A.R.E. program, to hire up to 10 youths who are clients of BCFR. The funds provide support for administration, a job coach and wages for the youths hired, through the City's C.A.R.E. program. The mission of BCFR is to enable persons with developmental disabilities to progress toward normal living and to develop, as far as possible, their capacity, performances, and relationships with other persons.

The C.A.R.E. program's mission is to provide employment placement and mentoring services for students, ages 15-19, who are at risk of unemployment or underemployment post graduation. BCFR has clients who are likely to benefit from this program. With the additional funding, the City's C.A.R.E. program will continue to accommodate up to 10 BCFR clients/students with developmental disabilities.

## Fiscal Impact

Short-Term Impact: The cooperative agreement will provide an additional \$46,128 in funding for the Parks and Recreation Department. This revenue will be allocated to the CARE program and will offset the cost of accommodating 10 clients of BCFR.

Long-Term Impact: None.
