Re: Consideration of Agreement for Professional Engineering Services between the City of Columbia, Missouri and Crockett Engineering Consultants, LLC

## Executive Summary

City Purchasing conducted a request for quotation of engineering services for the civil design and final plat for the North 8<sup>th</sup> Cullimore Cottages affordable housing project.

## Discussion

The City received one bid from Crockett Engineering Consultants, LLC to complete the civil design for the site infrastructure and grading, as well as the final plat for the North 8<sup>th</sup> Street Cullimore Cottages project. The total cost for services anticipated to be performed within the agreement are \$14,210. Completing this portion of the project will allow Community Housing Development Organizations to potentially begin construction of homes in the fall of 2019.

## Fiscal Impact

Short-Term Impact: None.

Long-Term Impact: None.

## Strategic & Comprehensive Plan Impacts

### Strategic Plan Impacts:

Primary Impact: Social Equity, Secondary Impact: Economy

### Comprehensive Plan Impacts:

Primary Impact: Economic Development, Secondary Impact: Livable & Sustainable Communities

## Legislative History
