

Dear City Council,

Please accept my request for tabling my request to postpone the second reading for my STR application for 1419 N Azlea to November 18th, 2024.

Previous communications stated I needed to be available for the second reading on October 21st, 2024. Unfortunately, with this new date I will be traveling out of the country for a veterinary conference on November 4th and will be unable to attend.

Thank you for the consideration on this matter.

Sincerely,

A handwritten signature in black ink, appearing to read "Matthew Patterson". The signature is written in a cursive style with a horizontal line through the middle of the name.

Matthew Patterson, DVM
