Ordinance No. 022721

Council Bill No. B 10-16

022721

Permanent Record
Filed in Clerk's Office

AN ORDINANCE

amending Chapter 23 of the City Code as it relates to the attachment of banners to city street light standards; and fixing the time when this ordinance shall become effective.

BE IT ORDAINED BY THE COUNCIL OF THE CITY OF COLUMBIA, MISSOURI, AS FOLLOWS:

SECTION 1. Chapter 23 of the Code of Ordinances of the City of Columbia, Missouri, is hereby amended as follows:

Material to be deleted in ~~strikeout~~; material to be added underlined.

Sec. 23-8.5. Banners.

(a) ~~The Special Business Downtown Community Improvement~~ District may attach banners to city street light standards located on public rights-of-way, or within public utility easements, adjacent to public rights-of-way, within an area defined as follows: bound on the north by Rogers Street, on the east by College Avenue, on the south by Elm Street and on the west by Providence Road. Attachment of the banners shall be done under the following conditions:

(3) ~~The Columbia Special Business Downtown Community Improvement~~ District, after executing an attachment agreement with the city, shall have the exclusive right to install banners on city street light standards in the above-described area. The attachment agreement shall set out requirements for the design of attachment brackets and installation, removal, maintenance, and responsibility for such attachment brackets and banners. Said requirements shall be set out in banner regulations promulgated by the city manager and reviewed annually and approved by the city council.

(4) Banners shall conform to design specifications established by the ~~Special Business Downtown Community Improvement~~ District.

(b) The Business Loop Community Improvement District may attach banners to city street light standards located on public rights-of-way, or within public utility easements, adjacent to public rights-of-way, within an area defined as follows: along Business Loop 70.

bound on the east by Poplar Street and on the west by Creasy Springs Road. Attachment of the banners shall be done under the following conditions:

- (1) The message conveyed relates to cultural, civic or other city wide activities.
- (2) No banner can carry a political or nonsecular message.
- (3) The Business Loop Community Improvement District, after executing an attachment agreement with the city, shall have the exclusive right to install banners on city street light standards in the above-described area. The attachment agreement shall set out requirements for the design of attachment brackets and installation, removal, maintenance, and responsibility for such attachment brackets and banners. Said requirements shall be set out in banner regulations promulgated by the city manager and reviewed annually and approved by the city council.
- (4) Banners shall conform to design specifications established by the Business Loop Community Improvement District.

(b-c) A college, university or hospital may attach banners to city street light standards located on public rights-of-way, or within public utility easements, adjacent to the campus of the college, university or hospital. Attachment of the banners shall be done under the following conditions:

(e-d) Notwithstanding any other provisions of this chapter, a public library may display banners subject to the following conditions:

SECTION 2. This ordinance shall be in full force and effect from and after its passage.

PASSED this 19th day of January, 2016.
