Re: Amending B92-20 RE: Provisions Related to Issuance of Parking Meter Hoods Temporarily Waived

## Executive Summary

As the reopening process begins, staff will reinstate the process of charging for parking and the enforcement of parking meter payments. Accordingly, an Ordinance has been prepared to amend Section 3. of B92-20 (Ordinance No. 024211) to lift the waiver of suspended payment for parking meter hood payments.

## Discussion

At the City Council's May 18, 2020 meeting, Council discussed receiving a letter from the Downtown Community Improvement District (Downtown CID) requesting parking fees continue to be waived until July 31, 2020 and indefinitely allow two spaces for curbside pick-up per block for the businesses. After Council discussion with the City Manager, it was decided to begin charging for parking on June 2, 2020, after the amendment of Council Bill B92-20 at the June 1, 2020 Council meeting. The City Manager directed staff to work with the CID to see what level of participation they would be willing to contribute to pay for meter bags for curbside pick-ups.
