Re: Share the Light Appropriation

Executive Summary

The Share the Light program began in August 2001 as a way for residents to contribute to a range of City of Columbia projects through their utility bill on a one-time or monthly basis. As of December 15, 2018, more than \$272,500.00 has been raised for six areas of city programming. The six areas are community arts programming, community beautification, youth recreation scholarships, public health, fire prevention and education, and crime prevention. Each donation is made for a specific area of programming and is to be used only for programming in that area of giving. Staff is requesting appropriation of Share the Light funds already donated for use by the Columbia Fire Department.

Discussion

The Share the Light program allows Columbia residents to contribute to one or more of six areas of city programming that extend beyond basic City services. The six areas are community arts programming, community beautification, youth recreation scholarships, public health, fire prevention and education, and crime prevention. Since Share the Light started, more than \$210,000.00 has been appropriated (including this request) throughout all six program areas.

Staff asks that \$983.19 in Share the Light funds already on hand be appropriated for the Columbia Fire Department to purchase 12 hard-wired smoke alarms (\$49.97 4-pk.) 20 smoke alarms (\$13.02 ea.) and 44 carbon monoxide detectors (\$13.02 ea.) for distribution to lower income families in Columbia.
